6. Upon the termination of the employment of Mrs. Evelyn Smith as Office Secretary, employed Mrs. Arlee (Joyce) Hudson to fill the position.

7. Received the resignation of Mr. Charles E. Mack as Associational Treasurer and named Forest C. Roberts, Sr. to fill the office for the rest of the year.

8. Asked the Calendar Committee to set up a Spring Meeting of the Association for inspirational purposes in addition to the annual fall meeting. It has been tentatively set for May 2nd.

9. Secured the services of the firm of Butler and Stowe to audit the Treasurer's records and express appreciation to them for this service.

Hoyle T. Allred, Chairman
Executive Committee

13. Rev. John White, our Promotional Director was recognized. He presented the new pastors, ministers of music and education, and secretaries who had come to our Association over the past year.

14. Mr. Dwight Holden led the congregation in singing "To God Be The Glory."

15. Rev. Hayne Rivers presented the Associational Training Union Report and made the motion that it be adopted. It was approved.

TRAINING UNION REPORT

Your Associational Training Union organization has been busily engaged in promoting the Baptist Training Union in Gaston Association throughout the past year. Advisory help has been forthcoming from our associational officers to the local churches when requested. Four quarterly officers' and leaders conferences were held during the year and such important subjects as the new "Life and Work Curriculum," "Training Potential Leaders," and the "New Member Orientation Program" were treated.

"M Night" was held in December at the First Baptist Church, Gastonia with Dr. Cecil Sherman, pastor of the First Baptist Church, Asheville, bringing the inspirational message. There were 744 in attendance with 66 churches and 54 pastors represented. Our attendance was up nearly 100 over the previous year and represented the fifth largest "M Night" attendance in North Carolina. It is significant to note that with "M Night" attendance declining all over our convention our association was one of the few associations showing an increase.

Associational Tournaments were held in April at Ranlo Baptist Church. There were 60 Junior Memory Work Winners. The Intermediate Sword Drill winner was Roger Hawkins of the Loray Baptist Church, Gastonia. The winner of the Better Speaker's Tournament was Miss Sharon Rawlings of First Baptist Church, Gastonia. Mrs. Buford Blanton, Jr. of Loray Baptist Church won the Adult Bible Reader's Tournament. Only 9 of our 87 churches had contestants in the tournaments. They were Loray, Alexis, Temple, East Gastonia, Fairview, Unity Gastonia, First Baptist Gastonia, First Baptist Mt. Holly and First Baptist Cherryville. The First Baptist Church Cherryville had 24 winners in the Junior Memory Work Tournament.

Our annual Associational Youth Night Program was held in April at Temple Baptist Church. Don McMurray varsity football player and ministerial student at Wake Forest was the speaker. The Youth Choir of the First Baptist Church Belmont under the direction of Mr. Jim Long made a distinct contribution to the success of the service. There were over 100 young people in attendance.

Once again this past year our Associate Director in charge of training Rev. Harold Brown did an outstanding work in offering training opportunities to our churches. Under his direction a Central Training School was held at the First Baptist Church Gastonia with eleven courses taught including the five newly revised methods books. Over 100 persons received awards for books studied.

While the overall enrolment for the Training Union in the churches of our Association declined last year as compared with the year before, the Gaston Association regained its position as the number one Training Union Association in enrolment in the North Carolina Baptist State Convention. It is to be regretted that 10 of our 87 churches reported no Training Union at the end of the 1965 Associational year. The demise of 4 Training Unions accounted in the main for our overall decrease in enrolment. With enrolment on the decline in Training Union all over the Southern Baptist Convention some are jestingly suggesting that the Training Union might more appropriately be called the Straining Union implying that the organization is having to strain to stay alive. May I suggest that Baptists should strain to help the Training Union thrive and grow that through fulfillment of its intended purpose our churches may be strengthened in leadership.

I would like to express my appreciation to all the officers of our associational organization who worked with me during this past year. On more than one occasion these faithful workers prepared for a quarterly conference only to have no one in attendance for their conference. Such faithfulness as many of them manifested in the midst of discouraging indifference from our churches will be rewarded by our Heavenly Father.

As Rev. Leonard Quick assumes the duties of Associational Training Union Director may I request your loyalty, support and prayers for him and our associational officers in this associational year.

Respectfully submitted,
Hayne Rivers

16. Mr. Forest Roberts, Associational Sunday School Director, asked Jim Long Associate Director to give the Sunday School report. He made the motion that the report be adopted. It was seconded and carried.

REPORT OF THE SUNDAY SCHOOL

Gaston Association ranks 3rd among the largest Associations of North Carolina. Our Sunday School enrollment is 4th, according to our minutes, our VBS enrollment is 1st, although it has been sometime since 100% of our churches have had schools in a single year. From time to time, we have led the state in Study Course Awards. A few of our Sunday Schools and many departments and classes are "standard."

We are happy for this much, but there is much left to be desired. Almost 10,000 of our church members are not enrolled in Sunday School. On a whole, our people have been slow to train, enlist, up grade the quality of their methods and teaching whether through local church courses or associational conferences and training schools.

Your associational Sunday School organization exists to help Sunday Schools do a better job in teaching God's Word.

GASTON'S PILOT PROJECT

Whether it has been done before or not, we do not know. Gaston Association, this year, called in its pastors and superintendents of Sunday School for a supper meeting in which vital issues were discussed. The program for 1966-67 was presented with the use of visual aids. All types of literature was displayed and demonstrations given on how and where to find what was needed. A panel of educational directors told how they prepared, trained, and used their workers. The associational Superintendent offered each church the services of his staff. Everyone had the highest praise for the helpfulness given.

THE NEED TO UP-GRADE TEACHING

In many Sunday School classes, Bible knowledge is given without the proper application to the heart breaking problems of the pupils. Each age has its own problems. Therefore on October 31 - November 3, the Sunday School Leadership School, with books on teaching, will be held at GASTONIA, FIRST. We urge every church to send their teachers.

Respectfully submitted,
Forest Roberts

17. Mrs. James Lineberger gave the W.M.U. report with the motion that it be adopted. There was a second and the motion carried.

WMU REPORT

Members of Woman's Missionary Union of the Gaston Baptist Association, strengthened by a year of emphasis on Worship, have had a busy year in 1966. "Having the everlasting gospel to preach unto them that dwell on the earth, and to every nation, and kindred, and tongue, and people," was our watchword to challenge us in our area.

Twelve members of the Executive Board received training both at the Summer Conference at Ridgecrest and at our State Workshops at Fruitland. During the year, members of the Executive Board taught in local churches. They helped to strengthen existing work and to begin new work. Cherryville, Second, Frayley Memorial, and Robinwood are the three new WMS organizations.

Shady Grove was the WMU organization to achieve honor recognition on the Aims for Advancement.

The churches reporting GA Coronations are: Ridge, three Queens; Seventh Avenue, five Queens, one Queen with Scepter; Loray, five Queens, four Queens with Scepter, one Queen Regent; Bruington Memorial, one Queen Regent; Dallas, a Queen Regent in Service; Parkwood, one Queen.

Gaston, Berea, Sunset Forest and Catawba Heights had GA presentations for girls passing Forward Steps.

There were new YWA organizations at Rankin Lake, East Belmont, and Seventh Avenue.

Cherryville Second and Catawba Heights had a White Bible presentation; Temple, two, and Sunset Forest, two.

Leadership courses were taught at Belmont First in February and at Bessemer City First in September. Three churches taught these courses individually: Cherryville Second, Ridgeview, and Chapel Grove.

The Prayer Chairman led us in two Associational Prayer Retreats as well as local ones. Several local YWA and GA organizations held Prayer Retreats.

Our Community Missions Director continued in efforts that were begun last year: Thirty-five residents in our County Home were ministered to by volunteers. Thirty-five children at the Orthopaedic Hospital received care and attention. In the Negro work, a week-day ministry was sponsored by the giving of financial help, supplies, and volunteer help for nine months to the Windy Hill Community Center and Kindergarten. The same type help was given to five Negro Bible Schools.

The Literacy work continues to be carried on in ten areas. One Workshop was held training fifteen new teachers. The Home Mission Board flew OUR OWN Mrs. Woodrow Daves to Bluefield, W. Va. to teach a Literacy Workshop.

One main emphasis has been the solicitation of volunteer help and supplies for our Gaston Baptist Center.

Mission Studies on Brazil acquainted our people with the needs on this great continent. Then came the Week of Prayer for Foreign Missions and the Lottie Moon Christmas Offering. An Institute in January gave added emphasis and help for teachers of the Home Missions books on Panama. Following these studies came our Week of Prayer for Home Missions and the Annie Armstrong Offering.

There remains so much to be done. God grant us Grace and strength to do our very best in the opportunities that are ours.

Respectfully submitted,
Mrs. James Lineberger

18. Rev. Alfred Wright, Associational Brotherhood President, gave the Brotherhood report with the motion that it be adopted. It was seconded and carried.

BROTHERHOOD REPORT

Brotherhood is a new concept, a new look. The concept is simple. Minimum organization, maximum action.

Our churches should ask of themselves these three questions: (1) Have we tried to serve God without serving man? (2) Have we tried to serve men without serving all men? (3) Have we tried to serve man without serving all the man?

The concept in Brotherhood should help us correct these mistakes if we have made them. We are not as interested in enrolment as we are involvement.

In the Baptist Men's and Baptist Young Men's units there are two new officers -- The Mission Study Leader and The Mission Action Leader. Missionary education and missionary involvement for the men, young men and boys is our objective.

The Brotherhood Director is also a new officer. He oversees the three units. He serves on the church council. He presides over the Brotherhood Council. He is the link between the organization and the church. He is equal to the Sunday School

Superintendent, the Training Union Director, and the W.M.U. President.

The Royal Ambassador leader is on an equal with the Baptist Men's and Baptist Young Men's Presidents. He serves on the Brotherhood Council. He also serves on the Baptist Men's Planning Committee. This ties the men and boys together in education and involvement.

The program is flexible. Adapt it to your local church for your local needs.

There is much to do. We have much with which to do. There is so little time. Get your men, young men, and boys involved in studying missions and in mission actions.

19. Mr. Dwight Holden was recognized to give his Music Report. He made the motion that the report be adopted, it was seconded and carried.

MUSIC REPORT

One of the greatest mediums through which we worship is in music. How wonderful to hear a church singing the great hymns of Zion. People like to sing. No wonder that nearly half of our worship services are musical. Because of this, churches are realizing the importance of securing persons to lead them in their music ministry.

We are happy to see and hear of so many of the churches in our association feeling the need to begin a music ministry or expand their music ministry by adding to the church staff ministers of music and also starting new musical organizations. Not only did we gain new leadership this year, but some of our churches saw the need and were willing to share their choirs and musical organizations with other churches. Some of our churches saw the need of training and informing their church members in church music by having music study courses, piano classes, class voice, music schools, and other training sessions.

Our association had one hymn-sing in the Dallas-Stanley District. The attendance was very encouraging with over 400 people present. This year your associational music committee has scheduled one hymn-sing to be held on a Sunday afternoon at Sims Legion Park, the date to be announced later.

On July 12-15, 1967, the Gaston Associational Junior Music Camp will meet for four days with outstanding musicians from our convention to lead and direct the music. This camp will be very beneficial to every church if each church will try to encourage every Junior boy and girl to attend. We had 5 Junior and Youth choirs to attend our state music camps at Caswell and Fruitland.

An associational music conference will be held August 28, 1967 at the First Baptist Church of Belmont. This conference will be for all music leaders and pastors of our association. Eleven choirs attended the regional choir festival with each choir giving an outstanding performance.

The associational music director and music officers express the hope that every church, whether large or small, will seek to encourage more participation in all musical activities in their own local church as well as the association, that we, through music, might lead our people to a closer walk with the Lord and be eager to say, "Sing unto the Lord a new song."

Assn. Music Director

20. Rev. Ralph Webb, Chairman of Evangelism was recognized to give his report. He read the report that follows and made the motion that same be adopted. The report was adopted.

REPORT ON EVANGELISM

The world is becoming more pagan every day: Just to keep pace with growth in world population requires that 110,000 people be won to Christ every day...4,500 every hour.

According to the minutes of Gaston Baptist Association for 1965 there were 27,975 resident members. These members baptized 1,223 people. This means that it required 23 Gaston Baptists to reach one person for Christ in a year's time. Together we had 10,210,875 days that year. Yet it required 8,349 of those days, or 23 years of our combined time, with all our praying and all our visiting and all our witnessing to win one soul.

What efforts did we put forth for souls this past year? We had a simultaneous revival crusade in the spring. Community revival efforts were engaged in by churches in Cramerton, McAdenville, Mount Holly, Dallas and Stanley. It is believed that every church promoted soul-winning visitation in some way.

What is the need? C.E. Autrey says in his book, "YOU CAN WIN SOULS," that 97% of the unchurched and unsaved never attend church and the only way we will ever reach them is through personal evangelism. We must realize that we have been saved to serve. As God sent the Saviour into the world to seek and to save that which was lost, even so He has sent us. It is time for every Christian to realize that God expects him to win souls. Our problem is not a lack of preparation as much as it is a lack of dedication. We are not soul winners because we don't want to be. If we are not winning others to Christ it is because we are not following Him as we should, for He has promised, "Follow me, and I will make you fishers of men."

Respectfully submitted,
Ralph Webb, Jr.

21. Mr. Dwight Holden led the congregation in singing hymn no. 269 "Blessed Assurance."

22. The Vice-Moderator, Mr. Marvin Willis read scripture taken from the first chapter of Ephesians, verses one through 14, and then led the session in prayer.

23. The group was then led in singing hymn No. 355 "Have Thine Own Way" by Dwight Holden.

24. Rev. James Taylor gave the Moderator's Address entitled "The Church."

WHAT THE CHURCH HAS TO OFFER

October 20, 1966 — James S. Taylor

EPHESIANS 1: 1-14

In this passage the Apostle Paul is referring to the Church, God's redeemed people. He speaks of the heavenly blessings which the church has received through Jesus Christ. The Christians have "been adopted as children; they have received redemption and the forgiveness of sins and obtained an inheritance," and through the Holy Spirit they are "sealed unto the day of redemption." The church has received all these things as gifts of God through Jesus Christ. In the light of all that the church has received, it therefore has much to offer the world, even a world which brags of its atomic and nuclear power, electrical gadgets innumerable, full automation, wealth, luxury and ease.

A Minister called a phone number to invite a family at attend the church which he served. He was completely taken back, even "flabbergasted" by the woman's blunt question, "What do you have to offer?" Well, what do we, the redeemed people of God, have to offer the world? 1. Some say that the church has the solution to the many social ills of the day, but in order to bring its influence to bear upon these ills, the church must influence legislation to right these wrongs. Is that all the church

has to offer the world? 2. Recently in a certain state, the leaders of the KKK were invited to hold services in several Baptist churches in which they stated that they sought to maintain the "God-given supremacy of the white race." Is such as this all that the church can offer the world? 3. Some churches in recent years have "jazzed-up" their music programs so as to induce the youth to attend. Is that all we can offer the world? 4. Physically, we can offer spacious buildings in which to worship, to eat; a place for recreation; or places for Sunday School, Bible study etc., but is this all we have to offer the world?

I would like to present several time-honored and eternal values which the church can offer to the world. These things we can offer to the world because they were given to us.

I. We offer God as Personal Friend

We offer God in all His greatness as Creator and Lord of the Universe; He whose image resides in every human being. We offer God in His nearness to those who draw near to Him. He is a friend who is close to a person and He is always near in time of crisis and need. Paul once said, "God is not far from any of us, for in Him we live and move and have our being."

II. We offer Christ as the divine Redeemer

Those who study human personality in depth are aware that every soul seeks communion and reunion with the Eternal. Man essentially seeks redemption, and the Bible teaches us that man has no other means of redemption but through Christ. The Apostle Peter once said, "There is none other name, under heaven, given among men, whereby we can be saved."

God's ultimate friendship and love for all men was revealed in Jesus Christ. Jesus said, "Greater love hath no man than this, that he lay down his life for his friends." Jesus gave His life on the cross for the redemption of all mankind. Therefore, through Jesus Christ, God accepts us as sinners and tries to make us better men. Through Jesus Christ, God accepts us as we are and makes us over into acceptable Children. It is this that we offer to the world; a chance to be accepted by God to a better life through Jesus Christ as the divine Redeemer.

III. We offer faith as a means of victory over life.

How much of the world today, even in our nation of plenty, are sinking in the "slough of despond" and despair; who feel defeated; who fear and tremble; who therefore turn to such things as alcohol, dope, tranquilizers and even suicide as a way out of their hopelessness. But offer FAITH as a deterrent to these things. John said, "This is the victory that overcometh the world, even our faith." Someone has said, "---that fear is a deadly foe to healthful living. Fear imprisons, faith liberates; fear paralyzes, faith empowers; fear disheartens, faith encourages; fear sickens, faith heals; fear makes useless, faith makes serviciable; fear puts hopelessness in the heart, faith rejoices in God." The church offers faith as a means of victorious living. Dr. Carl Jung once said to a fearful and troubled patient, "You have lost your faith in God." the patient replied, "Why, Dr. you don't believe all this stuff about God and the future life, do you?" The Dr. responded, I'm a Dr., not a Priest, but this I know, if you do not recapture your faith in God, you will never get well."

IV. We offer service as a way of abundant living

The Apostle James said, "Faith without works is dead." A fruitless life is a life without faith. A faithless life is a life without fruits. Where there is no fruitful living there is no faith. The church does not offer a negative life, any neutral life, but an active, useful life in the service of God and man. Jesus never offered His disciples an easy sort of life or a life of ease and comfort apart from active service.

The Bible teaches us that all of life is to be geared to human service and need. Thereby all vocations are glorified. All talent is to be consecrated to God. All time is to be redeemed by good works. All wealth is to be held in righteous stewardship.

The church offers its people tremendous tasks, not timid tidings. Jesus taught that abundant living came from abundant service to God and man.

V. We offer a fellowship which is heart-warming.

Here within the church is a fellowship of people that shares with each other the joys and sorrows of life. When one weeps he does not weep alone. When one rejoices he does not rejoice alone. The Apostle Paul has said that the Christian should "weep with those who weep and rejoice with those who rejoice." In this fashion, the warmth of the church's fellowship draws the world to its membership. (It may be that at times we are judged as the world looks at the "nominal," the neutral, the disgruntled members who have retired from active service within the church fellowship, but this is not the true picture of the church.) Let us rather pray and live so that the world will judge our fellowship by the inner circle of men and women who love one another, who show compassion, who are devoted to Christ and to each other in such a way that the world desires to be a part of such a fellowship. A part of our offer to the world is a fellowship of heart-warming love and friendship.

VI. Finally, we offer eternal life as the great adventure.

Job, long ago, asked the question, "If a man die, shall he live again?" The church answers in Christ's name, "YES, he shall live again." For Jesus told His disciples, along with Mary and Martha, "He that believeth in me, though he were dead, yet shall he live. For whosoever liveth and believeth in me shall never die." Through Jesus Christ, we offer eternal life to the world.

These things which we have mentioned as being the church's offer to the world are but a grain of the gospel, a small part of all that God did for man in Christ. We can simply offer to the world the "unsearchable riches of Christ." The question is "Do we ourselves accept these big offers? And do we also present them to the world?"

25. The meeting was adjourned and the benediction was pronounced by Rev. Joe Whitworth.

26. After a delicious meal the session enjoyed a time of inspirational music prior to the evening meeting. Dwight Holden and Jim Long sang "It Took a Miracle" and "The Ivory Palaces."

THURSDAY NIGHT

27. The evening session opened with a worship period led by Dwight Holden entitled "The Cross." He first led the congregation in singing hymn No. 94 "At The Cross" and then led in prayer. Mr. Jim Long assisted Mr. Holden with responsive reading No. 67, "The Christian Cross." They then sang "Beneath The Cross of Jesus." The congregation sang hymn No. 97 "Jesus Keep Me Near The Cross" to conclude a very meaningful worship period.

28. The evening session was called to order promptly at 7 P.M. by the Vice-Moderator, Marvin Willis.

29. Reverend Yates Campbell presented the Missions Committee Report and made the motion that the report be adopted. It was seconded and carried.

MISSIONS REPORT 1966-1967

During the year 1965-66 the Missions Committee has tried to accomplish certain long-range goals and projected plans within the Missions Committee for future missions needs in Gaston County.

I. GOALS ACCOMPLISHED:

1. The Missions Committee referred action to the Executive Committee and received approval for establishing a temporary child-care home in Gastonia. This home was in operation from February 1, 1966 until mid-summer. The Committee is currently seeking a new home to continue this work.
2. The Committee assisted in the organization of Smyre Mission into a duly constituted Baptist Church - now the Fraley Memorial Baptist Church.

3. The Committee has kept under watchcare the Alexander Memorial Baptist Church, Belmont, N.C., during 1965-66 and has received under watchcare the Robinwood Baptist Church, Gastonia, N.C. We have recommended that these fellowships be received into the Gaston Baptist Association.
4. The Committee carried forth the recommendation of the Association to establish a Week Day Goodwill Center. This was done in cooperation with the Temple Baptist Church who provided the facilities for this work. Mrs. W.W. Daves was chosen as Director and Coordinator of the Center.

II. RECOMMENDED GOALS FOR FUTURE MISSION ACTIVITIES:

1. Continue and expand the Week Day Goodwill Centers throughout Gaston County as needed.
2. Lay plans to establish a directed program of juvenile work in Gaston County sponsored by the Gaston Baptist Association.
3. Outline and make recommendations to the Association for a cooperative program of care for the aging.

III. FINANCING THE PROGRAM:

The Committee strongly endorses the plan of financing the missions program as recommended by the Finance Committee of the Association of 2% of the total budget of each church going to Associational Missions. We would encourage churches and individuals to consider this in the light of the Great Commission: "Beginning in Jerusalem... ye are my witnesses" (Acts 1:8).

Respectfully submitted,
Mrs. Harold Strickland
Max Pendleton
Harold Long
Mrs. Charles Meares
Yates W. Campbell, Chairman

30. The Moderator introduced Mrs. Fred Propst from the Capitol Hill Baptist Church in Atlanta, Georgia. Mrs. Propst stirred the hearts of everyone present with the slides and story of her work with the Home Mission Board.

31. Mrs. W.W. Daves, Director of the Gaston Baptist Center here in our county, gave a report of the work started here and of the many needs.

32. Mr. Dwight Holden led the session in singing hymn No. 455 "We've a Story to Tell." Special music followed by the Loray Choir. They sang "Come, Come Ye Saints" and the "Twenty-third Psalm."

33. The Associational Sermon was preached by Reverend Hoyle Allred, pastor of Flint Groves Baptist Church, Gastonia. He asked his wife, Mrs. Dorothy Allred to read his scripture.

THE ATERNATIVE TO DESTRUCTION

Scripture: Deuteronomy 8:1-20

Introduction: Throughout the book of Deuteronomy, Moses has reviewed what great things God has done for his people, and now, just before entering the land of promise, he pauses to warn the people of their coming power, prosperity and privilege and he says,

> But thou shalt remember the Lord thy God: For it is he that giveth thee power to get wealth, that he may establish his covenant which he sware unto thy fathers, as it is this day. And it shall be, if thou do at all forget the Lord thy God, and walk after other Gods, and serve them, I testify against you this day that ye shall surely perish. Deut. 8:18-19

They forgot and as a nation perished from the face of the earth as God's chosen people - the instruments of his service

Affirmation: The history of Gaston Baptists strangely follows the history of Israel: A called people who are playing the folly of forgetting God and lest we too perish, we must remember and give loyalty to Him that His covenant with us may be established.

I. The history of Gaston Baptists is one of faith, forgetting, ill-fortune, forsaking and favor.

A. Only one church (Baptist) in the county from 1771 (Long Creek) until 1853 (Bruington) and then Sandy Plains in 1863.

1. Came the period of the Civil War and in its aftermath of poverty and destitution the people turned to God and first, Gastonia; Hickory Grove; First, Belmont and Dallas were organized in rapid order.
2. God blessed. The people forgot. Depression came. They turned again and then McAdenville, Shady Grove and Cherryville First came on the scene.
3. History repeated itself and there was a falling away and out of the Spanish American War came East, Gastonia; High Shoals and Loray.
4. They did it again and World War I reminded them to turn again unto the Lord and Calvary, Ranlo, Flint-Groves and Temple churches are continuing reminders of the folly of forgetting God.

B. We could move through the depression of the 20's, World War II, Korea and now the Vietnam conflict, and see that God is dealing with us after our sin.

1. How long will it be before we continuously love the Lord our God, do his will, and know his continuing blessings.
2. I am afraid that even now we are more concerned with preaching to ourselves, meeting our own needs and seeking to be more abundantly blessed than to care for the needs of others. Illustration - Of Jewish friend who has become completed in Christ - note that I said "completed" not converted for God established his covenant completely to Abraham through Jesus our Saviour - who said to me with tears in his eyes, "When will Christians stop preaching to themselves and go and tell my people?"

II. If out of blessing, then we must give extreme loyalty to Christ, His Church, Its Doctrine and Its Purpose.

A. It is Loyalty to Christ and His Church.

1. It is not loyalty to a building or to a particular group of people with which we are concerned at this point, but loyalty to Christ and the redeemed of the ages.
   a. Jesus loved the church and gave himself for it.
   b. If we love Him, we ought to love his church and be a participating member of a local congregation but not to the point of holding "graveyard" membership only. That is, having membership "back home" but have been living here the last forty years or was that four months? As soon as we are removed from this place we OUGHT to move our membership. To say that the folks back home won't like it is the same as saying "I left my furniture back there because the man I bought it from won't like it if I move it!" He sold it to you to use and the folks back home who led you to salvation want you to serve the Lord and show that they raised you right!
   c. We love the Lord and His church and it's where we are.
2. It is not loyalty to a pastor or to any other particular church leader. The Church of our Christ is bigger than any person. If we're just loyal to people, we've missed the real nature of our being together and may be hurting the cause of Christ by failure to be loyal to Christ and his church when "our" leader is not on His throne.
3. And for the Pastor, this loyalty to Christ and His church may call for rethinking a ministry and finding a new avenue of service elsewhere, in

the chaplaincy, mission service, juvenile delinquents, prisons or others. It may be that the loyalty calls for living above slights and slurs to dig a little deeper and find the gold that still is in the mine where you now serve.

4. IT IS BECOMING INCREASINGLY EVIDENT THAT PASTOR AND PEOPLE MUST BEGIN TO TAKE LOYALTY TO CHRIST AND HIS CHURCH MORE SERIOUSLY OR THE NON-CHRISTIAN WORLD WILL NOT TAKE IT AT ALL!

B. We must be loyal to the Doctrines of the Church.

1. I am a Baptist minister. I make no bones about it. I am what I am because of conviction. If someone else wants to be otherwise, that's his choice, but I must stand for what I believe and seek to convince others. If you can be something else, you ought to be, but if a Baptist, then hold the fort for when the inner faith fails--all fails.
2. We have distinctives as Baptists and when we are no longer loyal to our beliefs we shall cease to be a leavening effect on our society. We must be loyal to these doctrines:
   a. The New Birth-by grace and faith and not of intellect and works. The individual is responsible.
   b. Competence of the individual to judge for himself on matters relating to the scriptures, the Christian life and works--but--under the leadership of the Holy Spirit. The New Testament is the final authority but along with the privilege of interpreting for ourselves stands the awesome responsibility of standing in judgment on the basis of our interpretation.
   c. Separation of church and state and congregational government. Not a State Church or a Church State but each congregation under God.
   d. Preservation of the purity of the gospel pictures as they relate to Baptism and the Lord's Supper. It's true that you do not have to be baptized in order to be saved but if you are--you will be!
   e. Pastor and deacons the only scriptural church officers.
   f. The Christian is saved to serve and is missionary in all his endeavors.

C. We are to be Loyal to the Purpose of the Church.

1. What is it? Well, it's not a supper club. Nor does it exist just for fellowship. This may be a part of our being together but must not become our sole purpose for existing.
2. We have learned in these days that the church is continuing in the apostles doctrine, fellowship, breaking of bread and prayers and that it has purpose in reaching to the world.
   a. It is the Lord's agent for reconciling the world to God.
   b. It has been commissioned and we're moving out to do battle with sin in our world.
3. If we're loyal to that purpose, it may be a cross but after the cross, a crown.
   a. I wish that I could offer ease and contentment, peace and cessation from want. But I can not.
   b. But is that, that which we really want as good soldiers of the cross?

Must I be carried through the skies
On flow'ry beds of ease,
While others fought to win the prize
And sailed thro' bloody seas?
NO! I must fight if I would reign;
Increase my courage, Lord!
I'll bear the toil, endure the pain,
Supported by thy word.

Conclusion - What will happen if we remember from whence our blessings come and stand by the stuff? GOD WILL GIVE THE VICTORY.

34. The meeting was adjourned for the day with Reverend Charles Teems pronouncing the benediction.

FRIDAY MORNING

35. Mr. Ken Denton, Minister of Music from First Baptist Church in Mount Holly, presented several organ selections before the morning session began on Friday.

36. A worship period was led by Mr. Dwight Holden. He led the session in singing hymn No. 283 "My Hope is Built." Rev. James Taylor, Moderator, then led in prayer. Mr. Holden led the group in responsive reading No. 79 entitled "Christian Influence." He again led the congregation in the singing of a hymn. He chose Hymn No. 360 "Jesus Calls Us O'er The Tumult" to end the worship period.

37. Rev. James Taylor, Moderator, called the meeting to order. He asked for miscellaneous business and there was none at this time.

38. Rev. Yates Campbell, Chairman of the Missions Committee, extended a hearty welcome to three new churches; Alexander Memorial in Belmont, Fraley Memorial and Robinwood in Gastonia. He recommended that these churches be received into full fellowship of our Association. It was seconded and carried.

39. The Moderator recognized Rev. Russell Willis who gave the Nominating Committee Report. He moved for the adoption of the report. It was seconded and carried.

42. The Moderator called the Vice-Moderator, Marvin Willis to the platform and asked him to preside. Mr. Willis called for the report from the American Bible Society. This report was given by Rev. C. V. Morris. He moved that the report be adopted. It was seconded and carried.

AMERICAN BIBLE SOCIETY

Last year the society distributed 1,670,000 Bibles and 55,400,000 New Testaments and gospel portions written in 493 languages. The whole Bible has been translated into 237 languages and the New Testament into 300 languages. At least one complete book of the Bible has been translated into 1,250 languages and dialects. There are more than 2,500 spoken.

Last year the churches of Gaston Association gave $828.50 to help the society with its work. They were:

Alexis	$ 25.00
Belmont, First	25.00
Bessemer City, First	25.00
Cramerton, First	25.00
Centerview	50.00
Dallas, First	75.00

Mt. Holly, First	100.00

S. Marietta St.	26.00

If the people of the world are to know Jesus Christ the one hope of men and nations, they MUST HAVE THE BIBLE. EACH PERSON MUST HAVE THE BIBLE IN HIS OWN LANGUAGE because it speaks to his heart as no other language can speak.

But, in most countries, people CANNOT AFFORD EVEN THE COST OF PRINTING the Scriptures.

Respectfully submitted,
Clarence Morris

43. L.A. Gable, Jr. gave the report on the Children's Home. He moved for the adoption of this report. It was seconded and carried.

REPORT ON CHILDREN'S HOMES

The Baptist Children's Homes of North Carolina is a multiple service social agency owned by the Baptist State Convention of North Carolina and operates under a charter granted by the state. Its purpose is to provide care, support and training for dependent children. To meet the varying needs of children and their families, the agency provides seven major services, namely: institutional care, foster home care, financial aid in the home, specialized services for emotionally disturbed children, supervision of discharged children, family counseling and other services designed to strengthen wholesome Christian family life throughout North Carolina.

Gaston Association is as proud of our 4 children's homes as if they were all located in our county.

Each year about 70 of our churches give more than $14,000 to their support in special offerings. At present Gaston County has 18 of our boys and girls in the 4 homes, 6 in two Gaston County foster homes and 3 families receive assistance.

All parts of our county have outstanding citizens who were alumni of the homes. To mention a few:

Mr. William Howard Brown who was formerly superintendent of schools in Cherryville, an active deacon, and president of the Brotherhood at First Baptist in Cherryville. He is now Superintendent of Schools in Gastonia and is highly honored as a school man, public speaker, and churchman throughout North Carolina. A sketch of him and a feature article recently appeared in the Gastonia Gazette.

Mr. Robert Alexander, a 1942 alumnus, is a pressman of the Gastonia Gazette. He is an expert in Karate and in growing roses.

Mr. Noble Bell is the owner of Noble's College of Hair Designing. He was recently honored in a feature article which told of his establishing a scholarship fund to help the students of the children's homes to go to college and technical school.

Mr. Cecil Phillips, one of this year's graduates, was the Mills Home youth week pastor. The home and Gaston County are justly proud of this ardent Training Union enthusiast and outstanding young spiritual leader.

A FEW NEEDS OF THE HOMES

The needs continue to be, basically, what they have been in the past: the need for Christian understanding and support of the children who are thrust into care out of circumstances which they have no control - the break up of their home, the disintegration of their family whether it be by economic adversity, separation of the parents in their marriage or whether it be because death has come to one or both the mother and father.

The needs are always, in a large measure, spiritual. They depend upon the prayer support of the people who know about the work, who pray in an intercessory way for the success of our program in keeping with the Word of God and the will of Christ for today's world.

Another need also is for physical support, for we must provide the necessities of life and a measure of educational opportunity as well as spiritual nourishment to the children in our care. The needs of children who come out of these disturbing circumstances often require special skilled training of qualified social case workers. They seek always to supply this need with those persons who have a Christian prospective and most often those who are Baptist and feel that this is a definite call from God to express their own Christian stewardship in working with staff and children in this way.

Another need also includes the continued realization that we are merely an extension of the local church, that we are doing for the individual congregation what it would be virtually impossible for them to do themselves. We hardly could see a Baptist Children's Home in each community, but by pooling our resources and strengthening a good program in several locations, we are able to have the quality and kind of work that produces the best product in our children's experience.

Our group care homes will continue. Our foster homes must be increased. We need to strengthen the work at Chapel Hill for emotionally disturbed children. Physical needs are: the replacement of old buildings, new units better designed for the kind of care that we are giving, we need to establish new programs of specialized services for some of our Baptist people whose needs are not being met in any way. We refer here to a home for unwed mothers. We have many faced with this crisis. As Baptist, we have done nothing about it - but, we hope this will soon be changed. We have no homemaker services for emergency needs in our families. There is a need for specialized care and provision for many retarded children in our state.

HOW CAN WE HELP FURTHER?

Gaston County churches can help in much the same way as in the past. They can continue to help in their stewardship through the Cooperative Program, Thanksgiving Offering, and designated gifts to the Children's Homes. They may help by informing one of our homes as soon as possible when family crisis occur in which we may be able to help through one or more areas of service. The use of our Regional Casework Center in Charlotte would logically be the first contact for Baptist living in Gaston County. The address is: Regional Casework Center, 4037 East Independence Boulevard in Charlotte. Miss Ellen Stephens is the casework supervisor at this center.

The churches of our association also can help to find individuals who have a special love for the Baptist Children's Homes and who will be in a position to make a gift through deferred giving and estate planning.

Lee A. Gable, Jr.

44. The Christian Education Report was given by Rev. Leonard Quick. He moved for the adoption of the report. It was seconded and carried.

CHRISTIAN EDUCATION REPORT

With the exception of the state of Texas, North Carolina Baptist lead the Southern Baptist Convention in number of colleges owned and operated. We should be proud of our seven Baptist colleges and grateful to God for the forty-six thousand students that have graduated from them during their history. This year we have more than fourteen thousand students enrolled in these institutions. Among these two hundred and eighty-five are studying for the Christian ministry, fifty-four for Home and Foreign missions, ninety-four for ministers of education, and fifty-six for ministers of music.

Teeming multitudes of our finest young people, in addition to these fourteen thousand enrolled, desire greatly to study in a Christian institution and under Christian teachers. Many will be leaders in our churches and the world tomorrow. We believe that Christian colleges and universities have a distinct and unique role to play in the world of academic adventure and training. Our seven Baptist colleges must share in this unique role. But all is not well. We are now involved in a crisis which expresses itself in the lack of funds and facilities. This has been brought about in part by a population explosion, security of qualified teachers, higher demands for accreditation, and the high cost of living. The very life of our colleges is being threatened. Baptists are either unable or unwilling to supply the growing needs of our institutions, and because we have to turn to every philanthropic organization, foundation or industry with a cry for help. A good example of this is seen in Gaston's Association's record for 1965. Only one-third of our churches gave a Christian Education offering which amounted to $3,173.00. To further illustrate this failure, we note that our largest college (Wake Forest) with a twelve million dollar annual budget only received $370,000.00 from North Carolina Baptists in 1965. (Note-this is 18% of all gifts and endowment income).

The colleges themselves are trying to do something about this need. Almost all of our colleges set challenging campaign goals and reached them. The one hundred and sixty-four Gaston County Wake Forest Alumni were the first to meet their quota of $40,000.00. Prominent in the effort were J.K. Lewis, Robert Caldwell, Dr. Hugh Tyner, Dr. L.M. Morris, Dr. Joseph Smith, Henry Groves, Sr., and Max Craig. Gardner-Webb is probably the outstanding success story among Baptist colleges however. The campaign goal called for $1,250,000.00. To date, Gardner-Webb has received in pledges, gifts, and cash $2,600,000.00 or almost double the original goal. More than $130,000.00 of this amount was raised in Gaston County.

We are grateful for each student in our colleges. We are especially thankful for those from our county and association. Gordon and Richard Williams, sons of Reverend and Mrs. J.D. Williams of Mt. Holly, are students at Wake Forest. Gordon has just won Phi Beta Kappa and is entering Peabody College to become a clinical psychiatrist. Richard, a science major, worked this summer with a noted Belgium scientist and the head of the science department of Atomic energy research. Mike Gunter, son of Mr. and Mrs. Dan Gunter of Gastonia, is president of the sophomore class. Mary Falls, daughter of Mr. and Mrs. C.B. Falls of Gastonia, is on the College Union Advisory Board at Wake Forest. Cleve Raefield, son of Mr. and Mrs. T.C. Raefield of Stanley, is vice-president of the student body at Gardner-Webb and a member of the basketball squad. Other outstanding students from Gaston County attending Gardner-Webb are: Donald Ross from Belmont, Judy Hardin from Gastonia, Tony Mauldin from Belmont, and Richard Lawrence from Belmont. One of our outstanding students attends Wingate College. Julia White, from Flint Groves Church works with the Ministry to silent people.

Gaston Association also provides leadership for our colleges. Rev. Walter Long of Belmont is a trustee at Mars Hill. Rev. Douglas Aldrich is a trustee at Meredith College, and Dr. Joseph P. Smith is a trustee at Wake Forest. The following men are on the board of trustees at Gardner-Webb College. Forest Roberts, Sr., Earl Groves, C.P. Nanney, Max Craig, Jr., Claude Hinson, T. Ray Helms, G.L. Kendrick, and M.O. Owens.

The challenge is great for the days ahead. Gaston Association must share in this challenge. Our new awareness and concern for the future destiny of our colleges must take a form that is more than talk. We must pray and show our sincere concern but most of all we must be willing to open our billfolds and budgets and give in a way we have never given before.

Leonard Quick

45. The Report on Foreign Missions was presented by Rev. Charles Carter. Several names and facts were added to his report. He moved for the adoption of the report. It was seconded and carried.

FOREIGN MISSIONS REPORT

Oct. 20 - 21, 1966

I. Southern Baptists World Mission Program

At the close of 1965, the Foreign Mission Board had 2,070 missionaries under appointment for service in 61 countries. This number includes 213 new missionaries appointed during the year. There is more and more stress being placed upon evangelism, with specific interest in nation-wide evangelistic crusades. Receipts to the Foreign Mission Board from the Co-operative Program reached a total of $11,123,505.00 in 1965. Another $13,243,822.00 was received in designated gifts.

II. N.C. Baptists part in the World Mission Program.

North Carolina baptists gave $1,831,088.00 to the Co-operative Program in 1965. An additional $1,606,158.00 was given through the Lottie Moon Christmas offering and other designations for Foreign Missions. Across the years 241 persons from North Carolina have been appointed to missionary service by the Foreign Mission Board.

III. Gaston Baptists share in the World Mission Program.

For years the Gaston Baptist Association has led N.C. Baptists in total gifts to the Co-operative Program. The Association ranks second in PERCENTAGE of gifts to Mission causes, and also is very high in Lottie Moon offering gifts. In 1965, churches of the Gaston Baptist Association gave $369,900.65 to the Co-operative Program, plus special offerings and other designations.

The following are foreign Missionaries sent out from Gaston County or born in the county who are now living, active, or emeritus. Appointment dates and towns are given where known. For lack of available information the list is incomplete.

First Church Gastonia assists with salaries of Marcus Reed, Isreal and Mrs.. Roy Stormer, Italy. East Belmont Church assists with salaries of Robert Travis, Africa and Hoyte Roberts, Honduras.

IV. Future of our World Mission Program

It is hoped 250 missionaries may be appointed in 1966. These must be found among the dedicated young people of our churches. There is a need to increase the FMB budget by $2,000,000. The greatest need is for deepening prayer for all missionary labor.

46. Rev. Guy Longshore was recognized to give the report on The Home for the Aging. He made the motion that the report be adopted. It was seconded and carried.

HOME FOR THE AGING

Our four homes are wonderful places for the aging. Aunt Fannie Drumwright is 105 years old and still enjoying every minute of her stay there.

Gaston County residents of the homes are: Mrs. Prue Stroupe and Mrs. Julia James, Cherryville; Mr. R.A. Barber and Mrs. Buena Carpenter, Gastonia; Mrs. Minnie Sherill, Bessemer City; Miss Addie Leeper, Belmont.

Cooperative Program gifts and special offerings supply only 35% of the total support of the homes. So far, this year, 35 of our churches have contributed a total of $4,673.47 through special offerings. The special offerings are used to help 90% of the residents who are unable to pay for all of their keep. There was a 5% increase in special offerings last year, but living costs have advanced 7%.

Since the four homes can care for only 172 residents, a fifth home is being planned. It will be located at Yanceyville and will bring the total to more than 200. There are already 170 on the waiting lists.

Respectfully submitted,
Guy Longshore

47. The South Mountain Baptist Camp Report was given by Mr. Lineberger in the absence of Ladd Maxwell. The report was adopted as read.

SOUTH MOUNTAIN CAMP REPORT

God blessed your South Mountain Baptist Camp with another wonderful season. Many who came had a deep experience with God. Their mission vision was broadened. They learned how everyone should help proclaim the message of Christ throughout the whole world.

Over 1800 attended your camp during the summer for some kind of planned activity. Four hundred sixty-eight attended from twenty churches from the Gaston Association. Thirteen churches from the Gaston Association contributed.

Six hundred eighty-nine made decisions for Christ, including 136 professions of faith. Five hundred earned honor awards by participating in camp activities, camp attitude and study in G.A. or R.A. work. Over 5700 decisions for Christ, during ten years of camp operation.

The road into the camp was paved in July at a cost of $14,393.00. Half of this has been paid. However, we had to use some of our operating funds to do this. The remaining $7,196.00 has to be paid by February 15, 1967. Some of this has been pledged. However, we will need other churches and individuals to help pay off this indebtedness. Your investment in this road paving project will help us to make the road to Jesus and to a deeper committed life clearer for hundreds of boys and girls each year.

A two story staff building is being completed. A Missionary cottage is being built, sponsored by Catawba River Association G.A.'s.

Churches, associations, pastors, conferences, and church groups are urged to use your camp for clinics, suppers and picnics. For information contact T.A. Lineberger, Route 1, Box 229-L, Connelly Springs, N.C.

Received from Gaston Association churches and individuals - $2,526.25.

GASTON FOLK AT CAMPS AND ASSEMBLIES - 1966 SESSIONS

NORTH CAROLINA BAPTIST ASSEMBLY had 6,284 to register. Our association was 4th highest with 319. FRUITLAND CAMPS had 1,531 to register. Our association was highest in enrollment during some weeks and one of the highest in total attendance. CAMP CaRAway had 1,081 to register. Gaston Association was 2nd highest with 99 enrolled. More than 1,800 people attended various activities at SOUTH MOUNTAIN CAMP. Our association had the highest enrollment with 468 regular campers.

48. Rev. J.A. Richardson gave the report on the State Baptist Hospital. He moved for the adoption of this report. It was seconded and carried.

REPORT ON N.C. BAPTIST HOSPITAL

When one sees a plaque on a door in the Intensive Care Section of our Nine million dollar hospital - - "Furnished by Gaston Baptist Association" - - - he is reminded of our continuing contributions to that ministry of healing.

Gaston Association gives about $352,000.00 annually through the cooperative program. Of this amount, $12,496 goes to our hospital. Through our Mother's Day Offering, we will give this year about $8,000.00. In 1965 we gave $7,240.39. For the first three quarters of this year we have given $7,691.66, and several churches have yet to get their offerings to the hospital.

The people of our county receive a great blessing from our Baptist Hospital. Last year the hospital gave $300,000.00 worth of services beyond the special offerings. It is well to remember that Gaston County people received $12,190.00 in service beyond insurance, plus no charges being made by the medical staff to these service patients. (We only gave $7,240.39 in special offerings). We are reminded from these statistics that ALL our Mother's Day Offerings, Cooperative Program gifts to the hospital, and money from Welfare Sources are used entirely for those who can't pay all their way.

Gaston County has 15 to 20 students in various training programs. About 25 of the 1200 persons on the staff of doctors, nurses, and other personnel come from our county.

It would be extremely difficult to recount the services that the hospital renders to Gaston County.

(1) With little difficulty, our pastors have entered their sick, regardless of their financial conditions. The Medical Center treats the body with the most up to date methods and equipment, the mind with a trained staff of psychiatrists, and ministers to the souls through their chaplains.

(2) A number of our pastors have trained in the school of pastoral care.

(3) Doctors, nurses, and staff members serve in our assemblies and at special conferences to which we send multitudes of our people.

We join our other Brethren in North Carolina in acclaiming our Medical Center one of the finest in the Nation. It is worthy of our support.

W.B. Hair, member at Gastonia First, is one of its trustees.

Respectfully submitted,
J.A. Richardson, Jr.

49. The Home Missions Report was presented next by Rev. Thomas Hogan. He moved for the adoption of this report. It was seconded and carried.

HOME MISSIONS REPORT

They serve without halo or furlough. They serve sometimes without human appreciation and encouragement. Still they serve faithfully though often among trying circumstances and amid adverse conditions. They are our Home Missionaries.

The headlines scream of world conditions and all are distressed. The homeland whimpers pitifully, painfully, spiritually, morally and not many are aroused. But THEY hear because THEY are there. They are our Home Missionaries.

And more and more we are listening to that cry of pathos within the homeland. The more we listen the more we learn the more we burn with concern for the moral and spiritual welfare of our own people. Maybe you know of some, are praying for some, and supporting some who as Home Missionaries are serving or have served Christ who said "Inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me."

Among those who formerly served in Home Missions are as follows: Harold Medlock, Albert Medlock and Sam High who did mission work in Maryland. Harold is now pastor of Oakland Church, Albert is pastor in Maryland and Sam is Training Union Director of that state.

Guy Walker and Charles Teems once served as associational missionaries in N.C., James Taylor in Tennessee and John White in S.C.

Wade James and Charles Fulbright served in pioneer areas for a brief time. James served in Washington state and Fulbright in Ohio.

Among those presently serving in Home Missions are: Frank Ingram, Associational Missionary in N.C.; John Beam, Goodwill Center, Savannah, Ga.; Grady Pennington, Pastor and Associational Missionary, Indianna; Ed Jackson, Pioneer Mission Pastor, Maine; Fred Ellis, Missionary to the Indians, New Mexico and Mrs. Oscar Romo, Missionary to the Spanish speaking people, Home Mission Board.

And churches are responding to the desire and desert. Bruington Memorial is assisting a church in Rochester, New York, Loray a church in Kansas, Shady Grove and Mt. Zion a church in Columbus, Ohio. Many churches are sending help to Cuban refugees. Others are substantially increasing their gifts to Home Missions through the Annie Armstrong Offering, among them East Baptist Church of Gastonia which this year doubled its previous offering by giving over $1,500.

As a community of churches may we join hands and hearts in carrying out the injunction of Isaiah to "lengthen thy cords and STRENGTHEN THY STAKES."

Through Foreign Missions we lengthen the cords and through Home Missions we strengthen the stakes. The tasks are of equal urgency. Let us give ourselves to them.

50. The next report presented to the session was on Religious Literature. This report was given by Rev. Alfred Wright. The report was adopted.

REPORT ON RELIGIOUS LITERATURE

We are happy to report that, as far as we know, all of our churches are using Southern Baptist literature in all their organizations. About a third of our churches are using the NEW LIFE AND WORK CURRICULUM MATERIALS. We are fortunate to have Rev. M.O. Owens, in our association, who is writing some of the materials. Rev. John Hester is quite qualified in explaining the new materials. He led our associational clinic and conferences in various churches.

One-fourth of our churches are using the FIVE YEAR SPIRITUAL GROWTH materials. Rev. Douglas Aldrich is the author of some of the materials.

HOME MISSIONS AND COMMISSION

We have no record of subscriptions to our mission magazines. We understand there are too few. Since these magazines are vital in the promotion of world missions and give reports from our 4,500 missionaries, we urge our churches to increase their subscriptions and find practical means of using their contents.

BIBLICAL RECORDER

The Gaston association should be very proud of its contributions to one of the best state papers in the Southern Baptist Convention - THE BIBLICAL RECORDER.

For one thing it contributed its editor - Marse Grant. Mr. Grant formerly worked with Firestone Textiles in Gastonia. He was a member of East Church. It was at East where his wife was baptized and where the Grants took their first child to Sunday School.

It is believed that Gaston Association for many years has had a higher percentage of subscriptions than any of the other 79 associations of the state. Two-thirds of our churches have either the club plan or regular plan.

The association has, through the years, furnished leaders to help develop its ministry. At present J.D. Williams, pastor of Mount Holly-First is a director.

Our 2,865 families who receive the BIBLICAL RECORDER weekly know full well contributions that this paper makes to their spiritual development, understanding of Baptist issues and our knowledge of Baptist progress throughout the world.

The paper has been exceedingly kind to Gaston Baptists. It prints pictures of our leaders, new churches and missions, new pastors and our unusual activities.

Often there are articles about our associational progress, mission activities, training schools, church news and our support of State, Home, and Foreign Missions.

The editor has been unusually kind in his praise of new ideas and programs that originated here, or convention programs that were tested here as pilot projects.

The BIBLICAL RECORDER is sent to our pastors free of charge as a convention service. This is done to keep our pastors well informed, on issues difficult to obtain from other sources.

Since all of our church leaders and members need the ministry of the RECORDER in each home, let us encourage increased subscriptions and the enlisting of churches that do not have the paper in their church budget.

REPORT ON STATE MISSIONS

State Missions is that part of Baptist World Missions that primarily affects our state. We, as North Carolina Baptists, are very much interested in this mission program because its ministries are carried on with our borders and some of its seventeen ministries reach even into our own association. Among them are:

(1) Pilot projects for church programs carried on at the Loray and First churches in Gastonia.
(2) Helping to set up the program of our Goodwill Center.
(3) Making a number of surveys, including one in the Southside community.
(4) Training many of our pastors, many of whom are graduates of Fruitland Baptist Institute which is directed and supported by State Missions. More than thirty of its alumni in the county are among our finest pastors.
(5) Ministering to the deaf through television and conferences. The Sunday School Convention for the Deaf met with the "Silent" Class of the Flint-Groves Church
(6) Supplementing the salaries of some of our pastors, enabling them to give full-time service to their churches.
(7) Recommending and supervising grants and loans to churches that are struggling to build. Some of these made to our churches in the last five years are as follows:

1961:	Salem	$ 500.00
	Browntown	750.00
	Bethany	500.00
	Ranlo Mission	$1,000.00
	Midway	750.00
	Chapel Grove	300.00
	Plainview	$1,000.00
1962:	Salem	750.00
1963:	Oakgrove	500.00
	Salem	750.00
1964:	B. City, 2nd	1,000.00
1965:	Midway	500.00
1966:	Cleveland Hgts.	500.00

The preceding report shows approximately $9,000 in cash ministry to our own churches. It would seem from this that State Missions is very much interested in this association.

In many of the eighty Associations in our State Convention the State Missions program helps with the salary of Associational Missionaries that the ministry of the churches of their area may be more complete. This is not true in our Association since we are self-supporting.

As we give to State Missions, we have a vital part in helping missionaries with their ministries to the Indians, to our military personnel, to the deaf, to the Japanese in our state, to our various institutes and assemblies, and to churches who need help on salaries and buildings. It would seem from the above reports that the dollar given by our people to State Missions actually touches more varied needs than any dollar given for mission causes.

What are Gaston Baptists doing for State Missions? We are supporting State Missions as we give through the Cooperative Program. We are giving through the special State Mission Offering more than $8,000 each year. Across our state, the needs grow greater each year. It is only through our generous and prayerful financial support that State Missions can meet these needs for Christ.

Wade A. McKnight

52. A report was given on The Baptist World Alliance by Rev. Hayne Rivers. He moved that the report be adopted. It was seconded and carried.

REPORT ON THE BAPTIST WORLD ALLIANCE

The Baptist World Alliance is the world-wide fellowship of Baptists which exists to show more fully the essential oneness of the Baptist people in the Lord Jesus Christ. Through the Alliance inspiration is imparted to the brotherhood of Baptists and a spirit of fellowship, service and cooperation is promoted among its members. The Alliance may in no way interfere with the independence of the churches or assume the administrative functions of existing organizations. This world fellowship of Baptists who organized in 1905 in London, England. Since the first meeting in London there have been ten other Baptist World Congress meetings, the most recent one taking place in Miami Beach in 1965.

Baptists of the world live and witness in 122 countries. In 1965 the Baptist world population numbered 27,109,339 the vast majority of these (23,848,945) being found in the United States. The five countries having the largest Baptist population besides the United States are, Russia with 545,000 Baptists, India with 481,610 Baptists, Brazil with 227,924 Baptists, Burma with 212,210 Baptists and the Republic of the Congo with 204,925 Baptists.

Program Of The Alliance

The Baptist World Alliance seeks to carry out a five fold program. The first is in the area of communications. The chief function of the Alliance lies in establishing, widening and maintaining communications among the Baptists of the world. This is accomplished through personal visits by the officers of the Alliance and through publications. The official publication of the Alliance is the magazine entitled "The Baptist World" which is edited by C.E. Bryant. The cost of this publication is $1.50 per year for ten issues. Those wishing to subscribe may write to The Baptist World, 1628 Sixteenth St. N.W., Washington, D.C. 20009

The second program sponsored by the Alliance is in the area of relief. Through

this program a channel is provided for member conventions, mission boards, churches and individuals to give aid to hungry, sick, ill-clad and homeless people. From 1960 to 1965 the World Alliance has provided or forwarded relief, special aid to churches, and food and medical supplies having a total value of $490,327.

The third program sponsored by the World Alliance is in the area of religious liberty. The Constitution of the Alliance reads: "The World Alliance shall: (1) Have as one of its primary purposes the safeguarding and maintenance of full religious liberty everywhere, not only for our own constituent churches, but also for all other religious faiths."

This function of the Alliance is still very much needed, for in many parts of the world people suffer discrimination because of their religious conviction. The Alliance seeks to maintain contact with governments and embassies and make known our ideals of religious liberty and plead for the lifting of restrictions where religious liberty is needed.

The fourth program of the Alliance is the area of study and research. The Alliance encourages studies, and discussion on an international basis through its four Study Commissions on (1) Baptist Doctrine, (2) Religious Liberty and Human Rights, (3) Evangelism and Missions, and (4) Bible Study and Membership Training. About one hundred Baptists especially qualified for such studies have been serving on these Commissions and many valuable papers have been produced.

The fifth and main function of the Alliance is to sponsor and arrange regional and world-wide gatherings of Baptists. Many pastors and their families from the Gaston Baptist Association were among the more than 19,000 in Miami Beach June 25-30, 1965 for the Eleventh Baptist World Congress. One of the most significant actions taken at Miami Beach was the election of Dr. W.R. Tolbert, Jr. of Liberia, a Negro as President of the Alliance. This is the first time in the history of the Alliance that a Negro has served as President of the body. Dr. Tolbert also serves as Vice-President of the Republic of Liberia and is a Baptist minister.

It should further be noted that two Vice-Presidents of the Alliance elected at Miami Beach were Southern Baptists. They are Dr. Herschel Hobbs of Oklahoma City, Oklahoma and Mrs. R.L. Mathis Promotion Division Director of the W.M.U. of the S.B.C. of Birmingham, Alabama.

The Baptist World Alliance will hold its next meeting in 1970 in the Orient, probably in Japan. Those churches wishing to send their pastors would be wise to make annual provisions in their church budget so that the weight of expense will not have to be borne in one year thus taxing the 1970 church budgets.

Respectfully submitted,
Hayne Rivers

53. After the committee reports on Gaston's participation in State and Convention causes, Mr. Roy Holder, Minister of Music from the host church, rendered a very effective solo, "Lord Be Merciful."

54. An address by Rev. M.O. Owens, Jr. pastor of the Parkwood Church in Gastonia, followed the special music. Rev. Owens spoke on "The Changing Face of Gaston County." His address follows:

THE CHANGING FACE OF GASTON COUNTY

By M. O. Owens

We are living in an age of change. In a sense, this has always been true. Yet what vast, almost unbelievable changes we have witnessed in the past twenty-five years. Then the fastest planes flew at about 350 miles an hour. Now, there are planes which can fly at 4,000 miles an hour. Then, rockets were largely dreams in

the minds of experimenters; now, they are commonplace. Then, satellites were pure fantasy; now they are everyday realities, and becoming so plentiful that they collide with each other in space.

Gaston County is no exception to this startling trend. Changes are vast and rapid in our midst. Let's look at four aspects of the situation - population, economics, sociology and religion.

North Carolina is growing, but it is not one of the faster growing states. Gaston County, however, is an area of rapid growth in population. In 1940, there were 87,531 people in the county. In 1950, this number had increased to 110,836. By 1960, it had reached 127,074. Today, in 1966, it is estimated that there are 135,000 people in our county. And this growth is in spite of the fact that in the decade 1950-1960, 7,506 more people moved out of the county than moved in from outside.

Economically, our county is considerably above the average for North Carolina. In 1960, the state median family income was $3,956, but the median for the county was $4,694. Today, the state median has increased to about $4,600, but Gaston County median income is well above $5,000 per family. At the same time, one-fourth of the families in the county in 1960 - 6,653 families - had incomes of less than $3,000. Nearly 7% of the families in the county in that year had incomes above $10,000. A disturbing but important fact is that in that year the median income for non-white families was only $2,606, or slightly more than half the median for all families.

Sociologically, our county has always been an interesting study. In 1960, the rate of population per square mile was 355, as compared with a state average of 93 per square mile. Today, the average is 377 persons per square mile.

Seventy-five years the county was predominately rural - a farming area. At that time Gastonia was a village of 1,000 people. This has changed radically. As late as 1954, there were 1,762 farms in the county, having 131,000 acres. In 1959, farms had decreased to 1,089 with 103,000 acres. Today, the number is much less.

The Charlotte Observer for Oct. 20, 1966 quotes Vice-president Humphrey as saying, "It does not make sense for our already overcrowded cities to be filled with more and more migrants, nor does it make sense for rural America to lose a good share of its greatest resources - its human resources." Humphrey also goes on to say, "The heart of our effort lies in making rural America a more attractive....place than it is today for people and industry.... schools, churches, parks and public utilities should be upgraded as high as the community can afford."

The Vice-President's question has been asked a hundred different ways: "How are you going to keep them down on the farm?" And his answer is the partial, failing answer of those who philosophy is akin to socialistic materialism. For he is saying that people can be persuaded to stay in the rural areas simply by making the physical surroundings more attractive - by building new, better, more beautiful buildings. This is part of the answer, true, but it is only a part.

Today, 70% of the population of the United States lives in urban areas, and the percentage is increasing. In Gaston County, in 1950, the rural population was 49,613. In 1960, this had decreased to 48,537, a 2.2% decrease. Of these, only 3,115 actually lived on a farm. In the same ten year period, the urban population was increasing from 61,223 to 78,537, a gain of 28%.

Another disturbing fact is that in 1960, 13,661 of the families in the county lived in rented houses or apartments. Nearly all of these were in urban areas. In Gastonia alone, 1,243 Negro families lived in rented homes. Of these places to live, 400 had three rooms or less; 30 of them only one room.

While less than 1% of the population is foreign born or of mixed parentage, in 1960 there were 16,575 non-whites in the county, or 13% of the total. Of the total

population, 21,881 were not born in North Carolina. Ours is a transient age. In 1960, 33,000 of the people in the county had lived in their dwelling one year or less. This is 25% of the total.

Gaston County has been under the average in education. In 1960, there were over 1,000 people of adult age who had never been to school. The median grade for all the people was only 8.2 grades of school. In 1960, there were 30,948 children and young people in all our schools. Only 741 of these were in college. Since then, Gaston College has been established, and the number is increasing each year, fortunately. The percent of whites in college in 1960 was 2.6% but of non-whites it was a pitiful .009%.

The employment situation has been good for many years. In 1960, the unemployment rate was slightly over 4%. Today it is less than 1%. In 1960, there were 50,194 people gainfully employed in the county. There are now more than 90 establishments which employ 100 or more people. In Gaston County is the largest concentration of textile manufacturers and processors in the world.

Religiously, this is the heart of the Bible belt. There are more than 300 churches and synagogues in Gaston County. Of these, there are 90 churches and six missions affiliated with the Gaston Baptist Asssciation. These have a resident membership of close to 29,000, or an average of 320 per church.

In the county today there are 105,000 people of the age of accountability. Less than 40,000 are affiliated with all the other churches and religious groups of the county. This means that more than 35,000 people in Gaston County are not professing Christians of any stripe. Here is a mission field right in our doors.

With these facts before us, what does the future hold? Briefly, may I point out a few salient facts.

1. We are an increasingly urban area. Every year, less acreage is farmed. Every year the cities and towns enlarge. And with this increase in urban area, problems increase.

(1) Deteriorating housing is a constant fact. Areas are built us, they become attractive residential sections, then gradually begin to deteriorate, and unless great care is given, become slum areas. This is the blight of the city. And it is true whether the city grows or not.

(2) A second factor is the increase in apartment dwellers. These are people who, for the most part, are insulated from everything, little interested in the community and its problems.

(3) A third fact with which we must reckon in an urban civilization is the increasing dependence on the total national economy. To illustrate, simply imagine a period of one week with no electricity, no fuel gas, no train or truck transportation. In a very short time, people right here would starve to death.

(4) A fourth fact is a transient population. Statistically, half the families in the nation will move within a year. Note again that 25% of the people in Gaston County have lived in their present dwellings less than one year.

This area in which we live is marked for tremendous urbanization. Studies show that by the year 2,000 this will be the center of a strip city reaching from Raleigh to Greenville, S.C. and perhaps even from Norfolk, or Richmond and Washington to Atlanta, Georgia. Space will be at a premium. Industry, business and housing areas will be everywhere we look.

2. This will become increasingly a manufacturing complex. There are now 90 industries which employ 100 people or more. This number will increase. These will enlarge. Very little food or raw materials will be grown in this county. We are becoming a processing area, turning raw material into the finished product, or in some way adding to the change of it. Skills will be at more and more premium and in greater demand.

3. Educationally, the standards are rising, and will continue to rise. Our schools will be increasingly consolidated. College will become a must for all young people who can qualify. More and more, our schools must provide training for every child, whatever the intellectual level.

4. Population-wise, by 1980, the predictions are that Gaston County will have 160,000 people. Of these, 125,000 will be ten years of age or older. And of these, 17,000 will be 65 years of age or older.

5. This means that we must have nearly 7,000 new housing units within the next 15 years. Hundreds of new businesses must be established to serve these people. We must have 250 new classrooms in which to teach the 8,000 more children of school age we will have by then. By that time, there will most likely be kindergarten training for every child of 5 years. This means the necessity for perhaps another 100 classrooms. Somewhere must be found perhaps 400 more teachers for the public schools, than we now have.

6. For each of the 300 churches now in Gaston County there are an average of 450 people to be served. By 1980, with 25,000 more population, we shall need at least 50 additional churches. Of these, surely 20 will be Missionary Baptist. Our leaders ought even now to be studying the population trends, the projections by companies like Duke Power, Public Services, Southern Bell, and others, to learn where these 25,000 people will live, and what sort of developments may be expected. We should begin now to purchase land for churches, for religious activities. For land will be at an ever increasing premium as it becomes more and more scarce and difficult to buy.

7. A seventh fact with which we must reckon is intergration. Our churches ought to face squarely this fact of life. It will not go away. Under God, we have a Christian obligation, and we ought not to hide our heads in the sand. Here are people who are our neighbors. They do not have the Gospel. Can God forgive us if we look with compassion on the heathen of Africa and callously pass by these who are around us?

We are facing trends and attitudes which are a part of our civilization. John Steinbeck points out three of these which we must deal with in some fashion.

First, we live in a time when the rules have fallen away. Situation ethics, and the "new morality" are but symptoms. None of us like rules. But rules there must be, else the world is topsy-turvy. It is not a question of whether there will be rules, but rather, of what sort of rules we shall use? Without something to direct us, there are no guidelines. Picture driving down a highway where there are no rules, where it is every man for himself. This is the situation in a world without rules. The churches must bring our people back to the guidelines of the Bible.

Second, we are covered up with too many "things." Ours is materialistic age. Children on Christmas morning open a mountain of packages, then ask, "Is that all?" Two days later, half of these toys and gadgets are broken or discarded. All of us have become too concerned with "things." The churches must point the way to the things of the Spirit, if the flesh is to be preserved.

Lastly, we have entered an era of leisure time. Hundreds of our people have retired. They have nothing constructive to occupy their time. Thousands more, while working at jobs, have more leisure time than they know how to use wisely. The churches must point the way to a wise use of time, a "buying up of the time." We must teach our people how to be good stewards of the days God gives. There is so much that needs to be, and in truth, so little time in which to do it, if we stay busy with the affairs of the Kingdom of our Christ.

The churches have been often criticized for their lack resiliency, and their unwillingness to change. But down through the centuries, the church has changed.

It has always managed to find the motivation in the needs which proliferated around it, and the compassion which the Master instilled. "The fields are white unto harvest; pray ye therefore the Lord of the harvest that he thrust forth laborers into his harvest."

55. Rev. Willard Singletary pronounced the benediction including thanks for the noon meal served by the Host church. The meeting was adjourned until after lunch.

56. The worship period was again led by Mrs. Dwight Holden. He used a choir made up of pastors and music and education directors from the various churches. Mr. Holden led the congregation in singing Hymn No. 132, "All Hail The Power." He used Psalm 96 for his scripture reading and then led the group in prayer.

57. The Moderator recognized Mrs. Hoyle Allred, Chairman of the Resolutions Committee who read her report. She moved that the report be adopted. It was seconded and carried.

REPORT OF RESOLUTIONS COMMITTEE

The Forty-eighth Annual Session of Gaston Baptist Association has caused us to think again about the Church, its rock-like and enduring character, its mission and purpose for being in this present world of turmoil and international insecurity. We have been called to think again about our own personal lives, to see if we have forsaken the Lord our God in the days of our prosperity, and to search our hearts anew to find if we are willing to be wholly-committed unto Him as the Church of the Living Lord - not the church building on the corner - but the living, witnessing Church at work in the world where God has placed us.

We are indeed grateful to those who have so carefully and prayerfully planned for this program. Each session has been informative and challenging. The close look at the work in our own Association which the program has afforded has not been easy or without pain - for this is our mission field. We are grateful for progress shown and even grateful for the confrontation with the many spiritual needs yet to be met. The music has been timely and appropriate with hearts being prepared through the music and the spoken word for God's message to us to sink deep into our souls.

These days of taking account and setting new goals would not have been possible without the gracious hospitality of the two host churches being extended to us: Loray Baptist Church, Gastonia, and First Baptist Church, Cherryville. We are grateful for the many people in these churches who worked long and hard to make this time together possible and so enjoyable.

We express our sincere appreciation to The GASTONIA GAZETTE for its continuing cooperation and coverage of our Baptist meetings and work in the County.

May the assurance that we "serve the Lord Christ" spur us on to greater zeal and devotion to Him as we go forth, making disciples... baptizing... teaching.

Respectfully submitted,
Mrs. Hoyle Allred, Chairman

58. The letters from the churches to the Gaston Baptist Association disclose the fact that as of this date 234 of our members were called from our midst by death during the year.

59. Miscellaneous Business was called for by the Moderator. Rev. Hoyle Allred gave the report on the Baptist Foundation which had been omitted earlier. The report was adopted.

N.C. BAPTIST FOUNDATION REPORT

The North Carolina Foundation is relatively new. As of June 30th, the assets were $883,542.99. This is quite small compared to foundations in other states which have been in operation for many years. Through gifts and wills, you can help secure the Baptist Witness for future generations.

Last year deacon John E. Greenlee of Flint Groves church passed away. Mrs. Greenlee set up a memorial fund, the proceeds of which help send several boys to Camp Caraway each year.

Respectfully submitted,
John White

The Moderator, James Taylor, called Rev. and Mrs. John White, Promotional Directors for Gaston Baptist Association, to the platform. He presented them with a gift of money from the churches in the association. The gift was made in appreciation for five years of service to the Gaston Baptist Association.

Rev. Yates Campbell made a motion that the associational clerk be instructed to write letters of appreciation to the CHARLOTTE OBSERVER, the CHARLOTTE NEWS, and the GASTONIA GAZETTE for their coverage of the Associational meetings. It was seconded and carried.

Rev. Joe Hester made a motion that the major addresses given at the Association be printed in the minutes. This was seconded and carried.

The Moderator appointed two men to serve on the Committee on Committees for the coming year. They are: Lee Stroupe from Alexis and Roland Simmons from Community Baptist Church.

James Taylor, Moderator, presented his gavel to the newly elected Moderator for next year, Rev. Thomas E. Hogan, Mr. Hogan presided for the rest of the session.

60. The Youth Choir from First Baptist Church, Cherryville presented two numbers for the special music.

61. A Missionary Address was given by Rev. Page Shelton to close the forty-eighth session of the Gaston Baptist Association. Mr. Shelton is the Director of Metropolitan Ministry in Mecklenburg County.

ADDRESS BY PAGE SHELTON

I.

All of us are aware that we are living in changing times. If this fact of life has not come to us through the news media or the T.V. commercials, we know this from our daily surroundings. Our children and grandchildren seem to live in a world quite apart from us. Many of you might understand from your own background the story of DANIEL BOONE'S reason for moving from Western North Carolina to Kentucky. It is told that one morning Boone woke up and saw the smoke rising from his neighbor's chimney, several miles across the woods. He promptly announced to his wife that they were going to move across the mountains. He was feeling cramped and wanted elbow room.

To varying degrees in the South this kind of living was possible twenty-five years ago. Most of our area was still rural. What cities we had were small and not highly industrialized. Textile mills were the largest industry, but I am not quite sure we could call the cities around the mills urban centers. On the whole, town was where the people gathered on Saturday to buy and to visit.

Within the LAST TWENTY YEARS the South has begun to change. Urban centers have appeared. A generation has grown up in the South which is urban in orientation and outlook. We are not as urbanized as the Northeastern section of our land. But, we are in the BEGINNING stages of this CHANGE from rural to urban life. The only thing I know about a farm is what I have read and have seen when I go visiting. It would be very difficult for me and others of my generation in the South to survive on a farm or in the rural section.

II.

What is the changing scene that I am referring to? In what ways does our new metropolitan centers differ from the rural way of life? How can this change of setting so radically effect our lives?

The growth of metropolitan centers such as Charlotte and Gastonia have meant for us that we have become INTERDEPENDENT and INTERRELATED in SOCIETY. We no longer grow our food and make our own clothes and build our own houses. We EARN a salary with which we PAY someone else for our food, our clothing and our shelter. Where once neighbors gathered for barn raisings, or quilting parties or a Saturday night dance, now we are constantly on the go: clubs, sports, visiting, business. Or, else we sit at home in front of the T.V. for three or four hours before we go to bed.

Once the family unit was close and strongly bound together. Today children are too often left to make their own structures and be their own parents. An example of this occurred this last summer in one of the comfortable sections of Charlotte. The teenagers were without recreational facilities; therefore, they made up the game of going to the local shopping center to pester the customers and make store managers angry. They would block isles, insult customers and pretend to shop-lift articles. Parents would give the teens the car without knowing what they were doing. Occasionally the parents were UNCONCERNED, but most often they were AT A LOSS as to what to do. This created a problem for the whole community. It is a sign of our not having learned or found ways to cope with the new situation in the city.

From the problems of the suburban teenagers it is but a brief passage to the problems of the families in the "inner city" areas of our urban centers. These families are the ones who make the newspaper when one of their members shoots another or the parents neglect the children. These are the families which cost the taxpayer large sums of money for welfare and judicial services. We are paying money at these two points because we failed to provide adequate education and training for good paying jobs in our larger community.

It is primarily for the latter reason that the VAST MAJORITY of the poor who constitute our inner cities are Negroes. But what I shall point out are human problems COMPOUNDED by racial prejudice. When urban renewal entered one section of a slum residential area, the city government faced an over-whelming task. The city planners found in this particular section children without identifiable parents. The children slept where they could and ate where some neighbor had food to share. In most cases there was no MARITAL structure with one husband and one wife. We call this communal living. The problem for the city fathers was to divide this community into family units in order to move them into apartments across town.

You'll find, too, in the inner city many unmarried mothers living off welfare. Sometimes a woman might have children to get more money, but what woman seeks such suffering. But have you ever tried supporting nine people on $203.00 per month. Most of the women do not know how to manage a house nor how to obtain birth-control devices. Even if they know about the latter they believe the old wives tales about how they will get cancer or never be able to have another child. They are ignorant from not having participated in a more inclusive society.

Ignorance is not limited to this one area of what we take for granted. Most of the people in the inner-city lack any understanding concerning their rights. An example is housing. The people living in substandard housing do not know that their landlord is suppose to maintain the house and that the city requires a minimum standard. When they are told and attempt to get a screen door fixed or a roof patched, the landlord raises the rent and is given a sixty day extension to bring his house up to standard every sixty days. The landlord soothes his conscience by saying he has to raise the rent in order to get his money back. What of the money he has already gotten from rent without repairs?

III.

What has been our response to the misery of these outcasts of our society? "Well, that's all they deserve." Or, "What can you expect out of those type of people?" Or, we CLOSE our eyes and never see them. And if we happen to see them,

we hope they will go away. They are the invisible Americans.

If they seek something from the city, they are cast aside because they have no political power. A simple illustration of this political game concerns street lights. Within the last year a suburban section was added to the city of Charlotte. Within two weeks the street had a necessary light on every corner. At the same time an older section of the city had a regular light bulb on every other corner and it had twice the number of people. The difference was that the new section was inhabited by property owners who would pay taxes. The older section was slum rentals.

Our belief at base is that these people of the slums should be able to lift themselves by their boot straps. We cling to the mystic that each man is the "master of his fate and captain of his soul." Just as our fathers and grandfathers worked hard and saved their money, everyone should. We follow the tradition making something out of ourselves without help from anyone else. "RUGGED INDIVIDUALISM" is our motto and "GOD HELPS THOSE WHO HELP THEMSELVES" is our creed. And if these are good enough for us then everyone should be able to live by them. But how many of us really had no help along the way?

What meaning does this philosophy have to a father with six kids earning $35.00 or $40.00 per week? How do you tell him it is his fault he had to attend a second rate school and had to quit in order to support his mother and brothers and sisters? How can you look at his children and say that they must learn to accept their station in life? What happens the day the father decides to leave home in order for the mother to draw a welfare check to support the children in a fashion better than he could working?

Is it really this family's fault that they are the way they are? They depend for food and clothing on the money the father earns. They look to the city to provide the education they receive, as well as the utilities they have. The city is suppose to protect them from the landlord's allowing their house to become substandard. The father looks to his boss to pay him for the work he does. The boss depends upon his customers for their earnings. And so the cycle goes.

We of the city are living in an interdependent relationship with one another. No man is an island unaffected by what goes on around him. None of us can detach ourselves from the misery of part of our society. Our task must be to discover how to cope with the city in appropriate ways. The ways of our agrarian forefathers are not our ways. We must seek new ways for a new situation in life.

IV.

But what does all of this uncomfortable talk about the city have to do with missions and the church? Well, God is at work in this mess we call the inner-city. He loves the people who are dirty and immoral and lazy and outcast. God has spoken his love for the slum-landlord and the slum-tenant; for the glue-sniffing teenagers of the 6th richest suburbs in the nation, and the teenage mother on welfare; for the church members who refuse to allow poorly clothed families in their churches, and for the poor families. God expressed his concern for the needy of all classes and races and for those who seek to minister.

But how can I be so sure that the city is the place of God's love and concern? I feel that in Christ God spoke his word of love. After all John 3:16 does not limit God's love to one area of the world. Jesus' ministry was in the towns and in the country side. He called his disciples from among fishermen and tax collectors. Can we forget the love He showed toward Zachaeus, Mary Magdalene, the woman caught in adultry, the woman at the well, the blind, lame and sick?

Even as He went to Jerusalem for the last time did our Lord not weep over the city for it's rejection of him? Even as this seat of the Jewish faith had killed or cast out the other prophets of God, so His son suffered death. But, I am not sure God has written this city or our cities off as hopeless. I know that where people are God is there seeking to bring comfort, healing and love.

This is where the churches and Christians relate to the city. This is how we can talk about missions by first describing the focus of the mission. God does not work in a magical manner upon the hearts and lives of people. He uses us as His instruments of love. We are the ones called upon to feed the hungry, clothe the poor, visit the sick, provide better housing for the low income families and seek ways to make our cities more liveable for all. If we fail to respond, then the tasks are done by others or they are left undone.

This is the place where I am supposed to set out a program for the church. The program is supposed to set forth the how and what of our involvement in the life of the city. You are correct to say "All right, you've told us the problems and sketched how we are to react, so now tell us how to go about taking God's love to the inner-city and the suburbs."

I cannot do this. A program for the churches' ministry in the city can only be worked out in the situation. Only as we become involved with the problem can we discover ways to meet the needs. We must start where the people are. For instance, my next door neighbor's marriage is on the rocks. According to the tradition I was nurtured in as a child, my approach should be to tell her the proper values to have and how sinful it is to think about divorce. I would assume she is not a Christian and therefore must be given the plan of salvation. Now, why should I make her feel more guilty than she does? What words can I say she has not already heard? Rather, I seek to embody Christ's love for me and her. Once she trusts me then we can speak of these other matters. As Christ accepts me where I am, she, too, needs to be accepted where she is. As Christ frees me to become truly human, so I must seek to be Christ's instrument to help her be a human being who accepts herself and accepts the love of God. This means I must respect her right to fail on her own as well as seeking ways to help her succeed.

Another example of this arose in regards to an unwed mother-to-be. She was from outside Charlotte. The landlady where she was staying forced her to leave. She contacted a Baptist pastor's wife. The pastors wife's first approach was to witness to her. But she discovered the girl to be a faithful Christian and mature in her outlook. This was a "mistake" she had made. The pastor's wife learned what it means to start where a person is if we are to truly serve in love.

While I can't tell you how to program your Goodwill Center to meet the needs of the people in Gastonia, let me suggest a framework for the churches. You have heard of the Fatherhood of God and the Brotherhood of Man. A speaker at our Associational Meeting made a Trinity by adding the Familyhood of the church. By this we mean that as biological families are separated by distance or death, within the church family we can discover family-type relationships. A middle-aged or elderly couple can become "grandparents" or "parents" to young children or young adults. Thus both parties lives are enriched.

By the same token we must establish type relations in and to the larger community. For example, how do we speak of the Fatherhood of God to a child whose father is absent or bad? How can we talk about all Christians being brothers and sisters in Christ when there are some we refuse to associate with? This doesn't mean our liking everything about this other person. It does mean our accepting this other one as a child of God with whom we are willing to seek ways to establish non-existent relationships.

It is our prayer, then that God will use us and give us the courage and wisdom for the living and working these present days.

62. The benediction was given by the new Moderator, Rev. Hogan, and the 48th Annual Session of the Gaston Baptist Association was adjourned.

63. A reception followed the adjournment for new workers and their families.

The Exeuctive Committee
Gaston Baptist Association
Gastonia, North Carolina

Dear Sirs:

We have examined the statements of cash receipts and disbursements of the General Fund and the New Lot Fund of the Gaston Baptist Association for the church year ended September 30, 1967. Our examination was made in accordance with generally accepted auditing records and such other auditing procedures as we consid-

ered necessary in the circumstances.

In our opinion, the accompanying statements present fairly the cash receipts and disbursements of the General Fund and the New Lot Fund of the Gaston Baptist Association for the church year ended September 30, 1967, in accordance with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Respectfully submitted,

Motion was made by Mr. Richardson that the report be adopted. It was seconded. Mr. Richardson moved that a bus be purchased for the Goodwill Center from funds available in the form of gifts received, offerings from churches and unused 1967 budget allocations. These funds total $2,639.51. The motion was amended making the purchase subject to the approval of the Advisory Committee. The motion and amendment carried.

C. L. Capps made a motion that the financial obligations of the Goodwill Center be paid on the basis of the 1966-67 budget until such time as the Metropolitan Missions Program became effective. The motion carried.

11. After a short break, Rev. Pinnix led the congregation in singing the hymn, "Have Faith in God.

12. C. L. Capps presented the Associational Training Union Report and made the motion that it be adopted. It was approved.

TRAINING UNION REPORT

Your Associational Training Union organization has sought during the past year to have growth numerically and spiritually. We have not succeeded too well in either area. On November 28, 1966, "M" night was held at Hunter Huss High School. Keener Pharr from the Sunday School Board was the featured speaker. Thre were over 700 present, representing one of the largest groups we have had at "M" night. A very serious drama was presented by Trinity Church pointing out the fact that our present spritiual indoctrination of our church members was not sufficient for the trying times they were facing in the world.

On February 13, 1967, a special meeting for pastors, training union directors, and ministers of education was held. Dr. Nathan Brooks was the speaker. This was one of the best attended meetings this Association has ever had for such a type program. Flint-Groves

Church members gave a demonstration of the new type programs as compared with the usual programs. It was a startling contrast.

On April 2, 1967, tournaments for speakers, Bible readers, sword drill and memory work were held at First Church, Cherryville. The quality of the participants was excellent. The quantity was poor in most instances. Grady Gibson won the Bible reading tournament – hands down. There were no other participants. This should put us to shame. The speakers tournament was won by Mickey Blackwell. He also won state and south-wide honors. Sword drill was won by Steve Helton. Most of these participants came from Flint-Grove Church. Sixty-five juniors participated in memory work with sixty-two winners. Twenty of these were from Cherryville First Church. I think this report of this particular meeting needs no more emphasis than the fact that so few churches are doing anything in these matters.

On April 29, 1967, our Associational Youth Night was held at Belmont First Church with 215 present. This was the largest group in such a meeting in a long time. Jim Long and Joe Hester provided the leadership for this meeting. They are both now gone from the Association. As you can see, there is still much land to possess. We are well able to take it.

We have in our Association 80 churches out of 89 with Training Unions. There are some 9,000 plus enrolled in Training Union with an average attendance of 4,400 plus. With a resident membership of near 28,000 and many of these Training Union enrollees not being members of the churches, being in the younger age groups, you can see that we are many but not much. May the Lord help you and us as we seek to lengthen the cord and strengthen the stakes.

Respectfully submitted,
C. L. Capps

13. Mr. Forest Roberts, Associational Sunday School Director, presented the Sunday School report. He made a motion that the report be adopted. It was seconded and carried.

SUNDAY SCHOOL REPORT

"Every twenty years", said Martin Luther, "God has to raise Him up a new church out of a new generation."

As we pause to take inventory of the past years work that our Sunday School organization of the Gaston Association has accomplished, through our program of Sunday Schools, we are reminded of the deep significance of this truth. For we see mirrored in the trends, indicated satisfactorily, a picture of what the New Church is becoming as the leaders of tomorrow respond to the influences which are being poured into their lives today. More and more our leaders show a fine trend toward wanting to achieve the highest quality of work possible through a full, well-balanced program of our new plan of work. Of course we have a few disappointments in our achievements, but let us be aware of this as a challenge. God's

wisdom is unsearchable. He has a way of turning losses into gains and defeat into victory.

Let us look backward and survey the past years work. Sunday Schools 94, 26,570 enrollment as of September 30, 1967. Let us open the door of opportunity to move forward to greater service, that the World Might Know.

The Sunday School Staff wishes to express their deepest appreciation for every help toward success of the Sunday School Program.

Respectfully Submitted,
Forest C. Roberts, Sr.

14. Mrs. Harold Strickland gave the W.M.U. report with the motion that it be adopted. There was a second and the motion carried.

W.M.U. REPORT

The year 1966-67 was a rewarding year in Woman's Missionary Union. Emphasis being Education and watchword of the year "Grow in grace and the knowledge of our Lord and Saviour Jesus Christ". 2 Peter 3:18

The following training was offered to the women:

Mission Study Institute for Home Mission Studies
Leadership Conferences
Leadership Courses
Literacy Workshop

Many of the women received training at Ridgecrest Baptist Assembly, State W.M.U. meeting at Winston Salem, N. C., and W.M.U. Conferences held at First Church, Morgantown, N. C.

To enrich the spiritual life of the women four prayer retreats were offered this year. Mission action was carried on through Negro work, Literacy work, Orthopedic Hospital work, Rest Homes and Gaston Baptist Center work.

The youth work consisted of Y.W.A. Preview Study and Installation Service, Prayer retreat and Banquet. G.A.,'s Prayer retreats and separate associational meetings for Junior G.A.'s and Intermediate G.A.'s. Also Fall Round-Up and Picnic.

Sunbeam groups were encouraged to have their own day camp in the local church.

The associational W.M.U. Council voted to meet at the Gaston Baptist Center for fellowship and Bible study each quarter.

Respectfully submitted,
Mrs. Troy Bishop
President

15. Rev. Ralph Webb, Chairman of Evangelism was recognized to give his report. He read the report that follows and made the motion that same be adopted. The report was adopted.

EVANGELISM REPORT

This past year the churches of our association baptized 949 persons. This represents a ratio of one baptist for every 36 members. We are grateful to God for every person who has been brought to confess Jesus Christ as Lord. We call upon our churches to give themselves to the work that brought Christ from heaven to earth, evangelism. Evangelism is the heart of our churches' existence. Evangelism must be a two-pronged thrust. We must publicly proclaim that Gospel, that is the power of God unto salvation, and we must personally win others to Christ. "Every Christian, a Witness" must be more than a slogan, it must be a reality in our lives.

Our churches face a tremendous evangelistic challenge in the Crusade of the Americas. This is more than just a two-week period of revivals. It is an emphasis on evangelism that should occupy our churches throughout 1968-69 and 70. Our churches have been challenged by one of our mission fields, Brazil, to give ourselves to the work of evangelism and world missions for 1968-69. Some of the challenges in the Crusade of the Americas are:

NATION-WIDE EMPHASIS ON PRAYER: Two days of prayer, January 14, 1968 and January 12, 1969.

PACT: A program of "prayer partners" with individuals, groups, and churches on the "Other Americas" initiated in July-August 1968; Watch Night Prayer Service December 31, 1968.

NATION-WIDE SEARCH FOR PROSPECTS: May-June-July-August 1968.

NATION-WIDE VISITATION WITNESSING: September-November 1968.

NATION-WIDE CRUSADE OF THE AMERICAS REVIVALS: March 16-30; April 6-20; April 27 - May 11, 1969. Our date is April 6-20.

NATION-WIDE EMPHASIS ON NEW MEMBER ORIENTATION: Following the Crusade of the Americas Revivals. Study of book "Daring Discipleship" and launch new member orientation.

SPECIAL EMPHASIS IN NORTH CAROLINA ON CHRISTIAN MATURITY: January 1 - December 31, 1970.

Adequate guidance material for cooperation with and in preparation for the Crusade of the Americas is provided for us in the 1967-68 EVANGELISM PLAN BOOK already available to us and in the 1968-69 EVANGELISM PLAN BOOK which will be available after July of 1968 from the Division of Evangelism, 301 Hillsboro St., Raleigh, N. C. 27603.

Respectfully submitted,
Ralph Webb Jr.

Rev. Webb introduced Rev. Elvin Jones, Chairman of the Crusade of the Americas for Gaston Association, who gave more information on the program. Mr. Jones made the motion that all churches in the Gaston Baptist Association enter the Crusade of the Americas. The motion carried.

16. Rev. Webb also presented the Brotherhood report and made the motion that the report be adopted. It was seconded and carried.

BROTHERHOOD REPORT

This has been a good year for the Brotherhood organization. The new concept seems to have been accepted. Primarily because the organization is missionary in purpose.

The Brotherhood concept has missions as its central theme in Baptist Men, Baptist Young Men, and Royal Ambassadors. This we seek to do in our churches.

The Brotherhood concept was taught associational wide two times this year.

R A REPORT

A large numbr of boys participated in the Associational RA Program during 1966-67. Beginning in early January three area conferences were conducted for Counselors and potential Counselors. One session was in the Cherryville area, one at Mt. Holly and the last session was at South Marietta Street in Gastonia. At least seventeen churches had men at these combined meetings.

During the summer months a successful softball and baseball program was carried out under the direction of the Rev. Clarence Morris.

The R.A. Leader went to several churches during the year to assist them in their RA program.

Respectfully submitted,
Jason Lee

The Director and other officers taught the concept in a number of other churches.

The churches of the association have no excuse for not being in or knowing of the Brotherhood Missions Organization.

We have a good Royal Ambassador program. There was carried on in our association a good baseball program. This year we also had a small beginning in a softball program.

For those who have worked in our Associational Brotherhood Organization, whether with the men's or boy's group, goes a heart felt thanks to you.

There is much to be done. Our association is a mission field in itself. We must all be at our best. Our best is to be dedicated to Christ.

The youth of our community need the help of men.

The aged of our community need the help of men.

The alcoholics of our community need the help of men.

The need of our community can only be met by our missionary endeavor.

We are all missionaries for the greatest missionary of all -- Christ.

Respectfully submitted,
Alfred Wright

17. Rev. A. A. Bailey presented the South Mountain Baptist Camp Report. The report was adopted as read.

SOUTH MOUNTAIN CAMP REPORT

Words cannot express to you what God did for us at South Mountain Baptist Camp this year. He was very real to most of the 2000 who attended the camp this summer. Two hundred sixty two attended from the Gaston Association.

G.A. and R.A. work became meaningful to many. Seven hundred campers and visitors made some type of decision for Christ. This includes 132 young people that made professions of faith. One young lady summed up the experience that many had when she said, "I really grew up while at camp this week."

SUMMER CAMP ACTIVITIES

Four R.A. Camps – 460 attendance, Five G.A. Camps – 789 attendance, Two Brotherhood – R.A. Field Days, Eight Retreats and Overnight Camps and One Associational Youth Retreat.

The water problem was solved when we installed a deep well pump last spring. This made camping more pleasant and made it easier for the camp staff.

The South Fork and the Hicks' Grove Churches have adopted a cabin each to be responsible for their upkeep. Other churches may be willing to do the same. The balance due on the road is $2,500.00. It is hoped that enough churches, industries, and individuals will make a special effort to help us liquidate this indebtedness by spring. Please discuss with your church the possibility of putting your camp in your budget!

Your camp is equipped to enrich the lives of two hundred campers each week. Therefore, we urge every church to consider bringing or sending their young people to camp next summer. Those who have difficulty in having counselors to come with the children, please let us know, and we will work out something for them.

Your camp director and other members of the staff are available to visit your church or Associational meetings to inform them about your camp and to help them to see the value of a camping program.

PLEASE SUPPORT SOUTH MOUNTAIN BAPTIST CAMP, YOUR CAMP ! ! !

Respectfully submitted,
Hoke Coon

30. Rev. Lucian Pinnix led the congregation in worship. The hymn, "Serve the Lord with Gladness" was sung by all. Rev. Pinnix used John 8:3-11 for the scripture lesson and spoke about moral problems. Rev. M. D. Hart led in prayer.

31. John Page gave his report on Christian Education. He moved that the report be adopted.

CHRISTIAN HIGHER EDUCATION

The Baptists of North Carolina can, I feel, be extremely grateful to our predecessors for the foresight and vision they had of higher education for our young people. We can be grateful to those who, over the years, have dedicated time, talent, money, and their lives toward seeing these colleges grow and prosper. Today our North Carolina Baptists enjoy the opportunities, fruits, and challenges offered by our seven institutions of higher education. It is our prayer that God will allow them to continue to prosper, will allow them to continue preparing Christian laymen and women for citizenship and service in North Carolina, and will allow them to continue to stand ready to serve and prepare young people who have dedicated their lives to full time Christian church work.

Last year our colleges had an enrollment of approximately 12,000 students. We have currently enrolled approximately one-fourth the total number of students who have graduated from these schools during their history. Gaston County sent 122 students to our colleges last year.

I like to feel that all our graduates have been prepared for full-time Christian living. But we can take pride in noting that we had 249 students preparing for the ministry and 197 students preparing for jobs in full-time church related work. At the same time we must be sobered by the knowledge that this is again a numerical decrease in students in those categories in North Carolina – the same trend is experienced throughout the Southern Baptist Convention. It becomes quite clear that more of our young people must dedicate their lives to this phase of Christian service.

Some major changes in our institutions have come about during this year. Wake Forest College has become Wake Forest University. This institution will now be able to provide the master's degree and doctor's degree in several academic areas in addition to law and medicine. Baptist undergraduate colleges in North Carolina and the Southern Baptist Convention are rejoicing at the prospect of being able to turn to Wake Forest University for instructors with graduate degrees.

Teacher prepartion at Mars Hill is coming into flower and her graduates are beginning to appear in the classrooms of Gaston County.

Gardner-Webb continues to draft plans that will probably move it into senior college status in the near future, and each of the seven institutions has been involved with planning or completing work on physical facilities. It is delightful to note that these colleges are all engaged in a variety of long range plans or developmental programs that will insure orderly growth to meet future needs of our young people.

Four of our seven institutions have relatively new presidents. Dr. Norman Wiggins came to Campbell College from the law department of Wake Forest; Dr. Ralph Scales came to Wake Forest from the University of Oklahoma; Dr. E. Bruce Heilman came to

Meredith College from Peabody College; and Dr. Fred B. Bently came to Mars Hill from the University of Kentucky. This leaves Dr. Whitaker of Chowan, Dr. Bud Smith of Wingate, and Dr. Eugene Poston of Gardner-Webb as senior members on the Council on Christian Higher Education.

Gaston County can be proud of the men she has provided to serve in positions of leadership as trustees of our colleges. On the board of trustees of Mars Hill are Dr. Walter N. Long of Belmont and Dr. Ula Stroupe of Mt. Holly. Joseph P. Smith of Gastonia serves on the board of trustees of Wake Forest University; Rev. Douglas Aldrich serves Meredith College in this capacity; and on Gardner-Webb's board of trustees we find Rev. M. O. Owens of Gastonia, Earl T. Groves of Gastonia, Garrie Kendrick of Mt. Holly, Forrest Roberts, Sr., of Gastonia, H. Max Craig, Jr. of Stanley, C. P. Nanney of Gastonia, and John Gibson of Dallas.

Financing higher education continues to be a problem. This is true because of a variety of reasons which include: inflationary costs of materials, higher salaries to meet competition, advanced techniques which require expensive equipment, and higher standards which must be obtained and sustained in order to meet and hold accreditation standards.

In the face of increasing costs many deserving high school students are forced to seek their education at other institutions. We have not provided sufficient room at our schools nor have we been able to secure aid for all students who deserve and need it. Because of the opportunities our Baptist Colleges offer our young people we must seek fruther support for them. At present the COOPERATIVE PROGRAM'S financial support is vital to our colleges. This year $1,578,960 has been budgeted for higher education. This represents 25.8% of the Cooperative Program income for 1966-67. In addition the special Christian Education Day offering in 1966 was $132,046 and this year an 18% increase over 1965's offering will probably be realized. Though this effort seems to be reasonably adequate the truth is that the Cooperative Program and special offering money represent only a moderate part of these schools operating budgets. Certainly the challenge for us is great.

The North Carolina Baptist colleges have cooperated fully in the recent Convention-wide study of Christian higher education, sponsored by the Education Commission and the executive committee of the Southern Baptist Convention. The results of this study, dealing with nine major areas concerning higher education, will be published before the first of the year. These include: Biblical basis for Christian higher education; the history of Southern Baptist higher education; preface to a philosophy of Southern Baptist higher education -- faith and learning; academic scope of Christian higher education; religious scope of Christian higher education; the Christian college teacher; financing Christian higher education; college-denominational relationships; and academic freedom and responsibility.

In order to share this material fully with the pastors and churches in North Carolina, seven seminars will be conducted in the spring

of 1968, one on each college campus. Pastors and laymen are urged now to attend one of these meetings. In addition to this, local churches throughout the state will be urged to set aside a number of Sunday evenings for a study of Christian higher education, similar to the pilot studies conducted in many churches during the past year in the BEST program.

May we support here in Gaston Association the efforts of this study group and the efforts of those who work to promote Christian Higher Education in North Carolina.

Respectfully submitted,
John C. Page

32. F. C. Roberts, Jr., gave his report on Christian Life and Public Affairs. He moved that the report be adopted.

33. Yates Campbell presented the Mission Committee report and moved for the adoption of the report. It carried. He introduced Mrs. W. W. Daves to give her report for the Goodwill Center. She moved for the adoption of this report.

MISSIONS COMMITTEE REPORT

During the year the Missions Committee met at regularly scheduled meetings and several called meetings to transact the following business:

1. The Missions Committee worked with the Gaston County Juvenile Court and the Gaston County Welfare Department to work out guide lines for an Emergency Child Care Home in Gastonia. We have made efforts to secure such a home, but as yet have not been able to find one.
2. Many long hours were spent in conference with representatives of State and Home Mission Boards, and several work shops were attended in the interest of the Metropolitan Missions Program in our Association. This information was presented to the Association's General Board, Pastor's Conference, and numerous personal interveiws were held with interested individuals in the Association concerning this program.
3. Because of the extensive growth of the Goodwill Center, it became necessary to establish a Goodwill Center Committee to work more closely with the Director.
4. After due consideration, the Missions Committee recommends that the North Main Street Baptist Church of Mount Holly, North Carolina be received under the watch care of the Association.

Respectfully submitted,
Yates W. Campbell
Chairman

GOODWILL CENTER

Our Gaston Baptist Center continues to reach out throughout our association. Besides our Bible study, children's activities and the distribution of food, clothing, and furniture at the Center we have made referral of need to 17 of our churches in the Association. They can then follow-up with a spiritual ministry in their community. Seldom would the needs, physically and spiritually be met by one visit.

We work closely with the Welfare Department. They refer clients to us and we refer to them. Also Gaston Community Action feels free to call us and we in turn call on them for help. We work with our Mental Health Clinic and Vocational Rehabilitation Center. These organizations are here to help but many people do not know where to go for help. In cooperation with these we can meet needs and help solve the multiple problems of many people.

One of our committees on jail ministry had a visit from a woman who had been helped. She told how much it meant to her and how she appreciated what had been done. The visits, the concern, the encouragement that was given in her time of desperate need.

We are working with unwed mothers. One is a beautiful girl who would have been a senior in college this year. We have talked and prayed for and with the family. The mother, a wonderful Christian has accepted the fact and has a tender relationship with her daughter.

We work with a family with a mentally retarded nine year old boy. Trying to help them get him in the school at Morganton; it will be a year before they will have room for him. He isn't trained and someone donated a washing machine to help the mother keep things clean. They live on her husband's disability pay. They didn't have a sheet in the house. You helped furnish that.

One of you answered Jesus and said "Here am I, send me" and you got groceries for a family. The 11 year old has leukemia. He goes to the Baptist Hospital every other day. The family has been out of work so much with this illness they were hungry. The mother called and humbly thanked us for help.

One of our churches adopted a family that was found without food, clothing, or furniture. They minister in their community.

Our literacy work touches not only our own adult non-readers but also non-English speaking people. One of our literacy teachers is working with Greek women. Not only to teach them to read and write the English language but to be a real friend to them. We also work with the Japanese, trying to help with their many, many problems.

We need volunteers to help in all our activities at the Center. Will you hear Jesus say "Inasmuch as you have done it unto the least of these" – and answer "Here am I Lord, send me".

Our total attendance since January for Bible classes has been 1180 with club attendance being 2624. Almost 300 different persons are enrolled. Forty-five thousand pieces of clothing have been

given in Christs' name. We have helped our Negro friends to have clothing to attend their church services. Some of our churches are ministering to Negro families. Will you pray that we "Labor together with God" in the coming year.

34. The Host Pastor, Rev. Fred Crisp, was introduced to the congregation. Mr. Crisp welcomed the messengers and visitors to his church and gave directions concerning facilities of the church.

35. Rev. John White presented a new gavel to the moderator and the Association. The gavel was made from the wood of a tree on the homeplace of Dr. George W. Truett.

36. After a short break, Rev. Pinnix led the group in singing the hymn "Make Me a Channel of Blessing".

37. Recognition of Agency Representatives were made by the Moderator. Mr. Charles Mack from Gardner-Webb College spoke for a few minutes and Rev. Jim Lambert, pastor of the Mills Home Church reported on the Baptist Children's Homes.

38. Rev. J. D. Williams, Chairman of a special committee appointed by the Moderator made a motion that the By-laws of the Constitution of the Gaston Baptist Association be amended by adding a sentence to BY-LAW SIX, THE ASSOCIATIONAL BOARD. That sentence shall read as follows: "One or more members of the Board from each of thirty per cent of the churches enrolled as members of the Association shall constitute a quorum". Walter Long seconded the motion and it carried.

39. Rev. A. A. Bailey presented a very meaningful memorial to those who were called from our midst during the past year.

In Memoriam

Let us keep faith with those who die and receive from them the flaming torch and hold it high.

Last year the march for 234 soldiers is over, their battles are all fought and their victories are won and as in other days these lie down to rest awhile under the arching sky awaiting the bugles call. They have not gone from us but before us. As with our Lord, so it has been with them that a cloud has received them out of our sight.

Some of us have said at funerals that we have gathered to pay our last respect and tribute but God forbid that we should ever do this again for it is unchristian and closes the door to each meaningful moment for memorial as we are about to experience.

These moments of Memorial should make us grateful that God gave these loved ones to us purposefully for awhile. We ought to be more concerned about why he gave them than why he took them.

These moments should make us mindful of the certainty of death, the uncertainty and brevity of life; however the question of how long we live is not as important as how well we live.

While Mexicans mark the exact place of tragic death, let us as Christians mark the place of victorious living. Let us advance from funerals that are floral parades for the anonymous to memorable experiences concerning the deceased and the establishment of worthy memorials.

These moments should help us to give affirmation to our faith. We serve not a defeated Christ but one who must reign until he hath put all enemies under his feet and then he shall appear gloriously and victoriously to the accompaniment of all the angels and all the spirits of the departed dead, with the trump of God, and the voice of the archangel.

These moments should challenge us to pray for the immortal influence of these lives. May God crown their efforts with success and multiply their efforts through succeeding generations.

These moments should include a paragraph about three ministers. Mr. Ernest Waldrop of Lowell served several churches in South Carolina. Mr. James Taylor served Long Creek Memorial several years and while doing so he served well throughout the Gaston Association. Mr. Arthur Hoffman was Associate Pastor of Loray, and then helped to organize and then Pastor both the Temple and West Franklin Avenue Baptist Churches.

Respectfully submitted,
A. A. Bailey

AMERICAN BIBLE SOCIETY

For over 150 years, the American Bible Society has been the gateway through which 750 million people have shared copies of the Scriptures. Since 1816 the Society has distributed the Bible and is convinced that the Bible will continue to speak with power and truth in the unfolding space age.

Since its founding, the American Bible Society has carried on a dynamic program of translation, production, distribution and encouragement of use of the Holy Scriptures.

The Society's work is made possible solely by voluntary gifts from churches and individuals. The single purpose of the American Bible Society is to help in sowing and sharing of God's Word throughout the world.

CHILDREN'S HOMES REPORT

The Baptist Children's Homes of North Carolina have an illustrious and enviable heritage in child care. One, John Haynes Mills conceived the vision for meeting the manifold needs for Christian compassion in action.

We have been fortunate in that since this day in 1885, marking the beginning milestone in this venture of faith and service, many of our true Christian giants have stood at the helm, along with our Lord, in helping to chart the course for this ship of service. In addition, many dynamic clergymen and laymen have contributed of their time, energies, and resources that the scope of service to children might ever be broadened to encompass unmet needs as they were recognized: institutional care, foster home care, financial aid in the home, specialized services for emotionally disturbed, follow-up services for discharged children, and family counseling.

Jesus concerned himself with children and one of the choicest privileges which we share with Him today is to join hands and hearts in affording continued magnification of this ministry to children in need. Our homes are and have been involved in missions, evangelism, love and affection, education, discipline and teaching, and redemption for those coming under the umbrellas of opportunity provided by Baptists. Many thousands of youngsters' lives have been influenced and opportunities garnered for the full development of God given talents and abilities, leading subsequently to more productive, responsible, and happy citizens and homes.

It is tragic indeed that so many youngsters must be declined incumbent services due to the limited resources available. In addition, many of the current facilities are obsolete, antiquated and in dire need of replacement. Many of the facilities being used today were already in this condition even thrity years ago during the tenure of care experienced by this writer. The homes are currently involved in a desperately needed program of development. This is a long range yet visionary program which mandates some three and one half millions of dollars to be raised and expended over a fifteen year period. (Through 1980) This program is separate and apart from the needs for funds for normal annual operations.

Baptists have historically accepted the responsibility and the challenge for alleviating the problems and removing deterrents to a worthy objective. It behooves us to make the current needs of our Children's Homes a matter of serious prayer and resolve individually and collectively to increase our giving to the Cooperative Program, Thanksgiving Offering, and special designated gifts.

A goodly number of Gaston Association Churches contributed through the Cooperative Program and special offerings. Let me challenge each to give even more sacrificially. We would encourage you to explore the feasibility of including our Baptist Children's Homes in your plans for deferred giving and estate planning.

Let me render a hearty and heartfelt thanks on behalf of the thousands of youngsters who have been touched by this service and to a saving knowledge of the grace of our Lord. Even more important, thanks for the sacrifices you will continue to make that our Saviour's name might be amplified for countless additional thousands who are to be afforded this privilege as a result of your continued care. May God continue to bless you as you continue to pray and to give that this ministry might be ever escalated in perspective, quantity and quality.

fellowship, help and encouragement for the Baptists of the world. Many of these groups are very small and weak. They look to the larger bodies for prayer support, and for aid in times of need.

Financial support for the Alliance is received from many of the affiliated groups. But some of them are unable to offer any help. The largest part of the financial obligations is paid by Southern Baptists. In 1966, total contributions to the general fund were approximately $125,000. Of this amount, Southern Baptists gave $80,500.

In 1966, various groups of the Alliance gave over $150,000 for the relief of fellow Baptists who were sufferers because of circumstances, or persecution, etc.

The next world meeting sponsored by the Alliance will be the 7th Baptist Youth World Conference to be held in Berne, Switzerland July 22-28, 1968. The 12th Baptist World Congress will be held in Tokyo, Japan, July 12-18, 1970.

"The Baptist World", publication of the Alliance, is one of the most informative and interesting papers one could read. The cost is $2.00 a year or three years for $5.00. In it is found news of interest to Baptists about Baptists all over the world.

BAPTIST FOUNDATION REPORT

Certainly in the history of the work of the Baptist Foundation and especially in its last four years of active promotion, 1967 will be remembered as a year of tragedy with our leadership. For some months our Chairman, Dr. I. G. Greer, has been critically ill at his home in Chapel Hill. Some two weeks ago our Executive Secretary, C. Gordon Maddrey, was stricken with a series of heart attacks and has remained in critical condition in Rex Hospital. The loss of the leadership of these two faithful men at any time would be tragic, but especially as we approach the annual meetings of our Associations throughout the Convention.

If Mr. Maddrey were able to prepare this report, he would thrill us with the many interesting and challenging developments up to the time of his illness two weeks ago. This has been the most fruitful year in the work of the Foundation with many new commitments and marked progress in developing some of the projects of large standing. This is especially true of the new Home for the Aging in Yanceyville which you will hear much more about in the report on the Homes for the Aging. Certainly this will continue to constitute a great challenge to many of our people who can find in the Baptist Foundation their finest opportunity for investing in Kingdom Enterprises.

HOME MISSIONS REPORT

The Home Mission Board, organized in 1845 as the Board of Domestic Missions, has been serving more than 119 years.

The United States is the most influential nation in the world. It is the nation whose churches provide the major thrust for the spread of the gospel worldwide. Amazing advances in communication provide unparalleled opportunities for sharing the gospel, but they also channel to the world information regarding our spiritual and moral weaknesses. In such a situation, every effort to Christianize the United States takes on global dimensions. At this point in human history, Home Missions must be a major concern of Southern Baptists. A missionary force of over 2,100 assists Southern Baptists in their efforts to bring men to God through Jesus Christ in a period characterized by National and International tensions, inflationary economy, growing population, moral problems, and mounting social changes. This force was reinforced in 1966 by the appointment of 427 missionaries, with 119 on career status. To cope with changes the agency has continued to experiment with and to search for relevant methods in missions. Record support came during the year through the Cooperative Program (4.7 million) and the Annie Armstrong Offering (4 million). The goal for the Annie Armstrong Offering was reached for the first time since 1961. Changes in attitudes among Southern Baptists toward the race problem and cooperation with National Baptists are slowly beginning to emerge. The workers of the Home Mission Board accept the Bible as The Inspired Word of God, Jesus Christ as their Saviour and Lord, The Great Commission as their Marching Orders, and The Holy Spirit as their Guide and Companion.

When EVERYBODY EVERYWHERE will recognize the size and urgency of our Home Mission task, and pledge anew their prayers and support in meeting the challenge of this crusade in Home Missions, we will take our Homeland for Christ and His Kingdom. A-MEN.

Respectfully submitted,
Mrs. F. L. Roberts, Sr.

HOMES FOR THE AGING

Your North Carolina Baptist Homes for the Aging have been on the move during the past year. Our new Home at Yanceyville was opened in September and received 30 more dear old people into the family of our Homes. The Yanceyville Home, our fifth now occupied, gives us a total of 200 deserving older men and women in our care in all of the Homes.

As you know, we now have five Homes and an Infirmary in operation. Resthaven and the Hayes Home in Winston-Salem; the Albemarle Home at Albermarle; the Hamilton Home at Hamilton; and the Yanceyville Home.

In these homes we have an eternal investment and can rejoice in the loving care which we are making possible for our older people. The majority are financially needy persons, and are supplemented through the love gifts of North Carolina Baptists. Two sources of income from the churches are increasingly vital in the support of

our residents – the Special Day Offering, received on the third Sunday of February each year, and our share in the Cooperative Program.

The Special Day Offering for 1967 is at an all time high and has increased by 10% over last year. This is most commendable, but when we face the reality of costs, which have advanced by 20%, and the maintenance of a new Home and the care of 30 additional residents at Yanceyville, we could face a real crisis during the next year, unless the gifts from our Baptist people continue to increase in proportion to our needs. Churches in the Gaston Association contributed $3,511.02 in 1967. This is slightly less than they did in 1966.

We wish to quote Mr. Wm. A. Poole, our superintendent, "We wish to thank all of our Baptist people across the State who are enabling us to minister to the aging in Christ's name, and we want all of you to know that each of your five homes exists for the people from all over your State. We could not operate without your love, prayers, your concern, and your financial support."

Earl W. Brockman

STATE MISSIONS REPORT

The aim of State Missions is to win "every creature" to Christ and to develop each person to carry out his function as a member of the body of Christ.

All of state missions is dedicated to the worship of God and the proclamation of His Kingdom. State Missions begins as a person enters the door of his church, it goes down every highway and hedge, over every mountain, vale and plain in the State.

By giving to the State Missions Offering and through the Cooperative Program each Baptist witnesses in his State every day of the year: in a Bible School for juvenile delinquents; to a group of Japanese wives living at Cherry Point; to the deaf throughout the State; to Indian people at Pembroke and Cherokee; to migrants on the East Coast; to preacher-boys at Fruitland Bible Institute, and in many other ways.

The State Missions Offering helps feed the hungry, physically and spiritually, and to minister to the stranger in our midst. It helps clothe the naked, minister to the spiritually sick, and visit those in prison.

Through State Missions, Baptists enlighten, heal and educate. Through State Missions men are saved from despair and suffering.

Respectfully submitted,
Mrs. Hoyle Allred

FOREIGN MISSIONS REPORT

The objective of the Foreign Mission Board is to do everything possible to bring all men in other lands around the world to a saving

knowledge of Jesus Christ as rapidly as possible, and to involve them in Christian growth and service as members of indigenous churches.

The foregoing general objective expresses itself in several more specific objectives:

1) To present the gospel of Jesus Christ effectively and winningly to all the people of other lands.
2) To establish New Testament churches as basic units for all Christian fellowship and work.
3) To utilize, with necessary adaptation, proven principles and methods of evangelism and church development.
4) To encourage the Baptist churches to unite cooperatively into denominational organizations through which they can carry out their own kingdom responsibilities.
5) To minister to human need in Christian love through service agencies, such as schools, hospitals, clinics, good will centers, and publishing houses.
6) To train and prepare those whom the Lord calls to preach and serve in special ministries.
7) To create a Christian outlook on life based upon ethical and moral principles in the New Testament.
8) To appoint, send, and maintain an ever increasing number of God-called, and otherwise qualified, missionaries.
9) To discharge its responsibilites in homeland cultivation of missionary knowledge, concern, involvement, and support.

In commenting on the work of our Foreign Mission Board recently, Dr. Baker J. Cauthen, Executive Secretary, likened our topsy-turvy world to a ship in a rough sea, saying that it continues to roll and toss. As soon as a crisis passes in one place another develops elsewhere.

Missionaries are caught up in developments over which they have no control and find that transformations suddenly have come about. Their concern reaches toward men, women, and children regardless of the governments under which they dwell.

Dr. Cauthen says "the twentieth century has called us to look with fresh attention upon people rather than upon buildings, programs, institutions and organizations. We find ourselves called afresh to do what Jesus commanded in his Great Commission. We go to this task with full confidence that his implanted Word in the hearts of people will continue to be fruitful under whatever circumstances must be faced."

With the sending of two couples to Ethiopia and the opening of work in this country in October, 1967, Southern Baptists now have mission work in 66 countries of the world.

R. H. (Bob) Stowe

DIGEST OF

PROCEEDINGS

of the

GASTON BAPTIST ASSOCIATION

Thursday, October 24, 1968

1. The Gaston Baptist Association of North Carolina held its fiftieth Annual Session at the First Baptist Church, Gastonia, N. C. and the Alexis Baptist Church, Alexie, N. C.

2. The sessions of the first day and evening were called to order by the Moderator, Thomas Hogan, at 3:00 P.M.

3. Mr. Lucian Pinnix, Minister of Education, at Parkwood Baptist Church in Gastonia led in an opening hymn. The worship periods were conducted by Gerald Campbell, Minister of Music and Education at the East Belmont Baptist Church, Belmont, N.C. His theme for the first two sessions was Evangelism.

4. Walter Long, Chairman of the program committee, presented the program and made the motion that the printed program be the order of business of the Association with the necessary changes that may seem wise as the session proceeds. Hoyle Allred brought an amendment to the order of business that we put the Annual Sermon as the last order of business for the afternoon session and move the Christian Social Ministries report up. The amendment was seconded and carried. The original motion was then called for by the moderator and also carried.

5. Wade McKnight, Chairman of the Executive Committee, presented the committees report. He then recognized A. A. Bailey to read the constitutional amendments. Mr. McKnight moved the adoption of the report except for the constitutional change. The move was seconded and adopted.

EXECUTIVE COMMITTEE REPORT

The committee has met monthly for the past Associational year.

1. Early in the year a letter of warning was sent to and conferences held with one of our sister churches concerning the precariousness of their relationship with the Association. This condition had been remedied.

2. The committee recommended to the moderator of the Association that he write a letter of greetings to each new pastor that came in to the Association. Also, that he include in the letter some basic information pertaining to the work and goals of the Association.

3. The committee set up a policy concerning the distribution of associational minutes. Since the number of minutes printed are determined by the amount of money budgeted for minutes it was decided to limit the minutes to a minimum of ten (10) and a maximum of thirty-two (32). The clerk is to use his own judgement in determining the number to each church.

4. We have planned a change in the minutes for the new year. We trust that they shall be pleasing to you.

5. We have approved the dates of October 26-31, 1969 as the week for a School of Missions for our Association.

6. The committee authorized the purchase of a new over-head projector and a new IBM multi-type typewriter for the Associational office.

7. The committee received the Faith Baptist Church of Bessemer City under the watchcare of the Association upon the recommendation of the Missions Committee.

8. The committee has authorized the auditing of the Association's books for the past year by the firm of Butler and Stowe C.P.A. of Gastonia, N.C. Their report is as follows:

9. At the request of Brother Hoyle Allred, Chairman of the Christian Social Ministries Committee, we have drafted a constitutional change which if approved will allow us to bring the Christian Social Ministries and the Director under the supervision of the Executive Committee.

10. During the last eighteen months or so the committee has been seeking for a suitable site on which we could build a Associational Office Center. We have found such a site that is near the geographical center of the county. It is easily accessible from most any area of the county. The price is reasonable and within our reach. So we are recommending this site to you for your approval. We are asking that you give your tentative approval is that we will have this property rezoned to meet our needs. The request for rezoning is already before the zoning Commission. The description of this lot is on separate page.

Respectfully submitted, Wade A. McKnight, Chmn. of Executive Comm

6. Our vice-moderator, J. A. Richardson was recognized at this point to preside. He presented our Moderator, Thomas Hogan, to bring the Associational Board Report. He moved the adoption of the report. It was seconded and approved.

DIGEST OF ASSOCIATIONAL BOARD MEETINGS

JANUARY 15, 1968:

Reports from the Associational organization heads were heard after which Chairman of the Executive Committee, Wade McKnight, reported that a committee had been elected to contact Ernest UpChurch concerning guidelines for the Metropolitan Missions Program. McKnight's report also included the appointment of a committee to investigate the feasibility of purchasing new property to house the associational office and the Metropolitan Mission Program. Those appointed were Tom Hogan, A. A. Bailey, Yates Campbell, Charles Carter, and Forest Roberts, Sr. as advisor.

Mrs. W. W. Daves, Good Will Center Director, expressed appreciation for the new bus purchased recently. Hoyle Allred was elected Chairman of the Metropolitan Missions Committee, Fred Crisp as Baptist Hospital Representative, and Worth Braswell as Homes for the Aging Representative.

Resignations were regretfully received from Reverend and Mrs. Russell Willis as Vice-Moderator and Associational Clerk respectively, due to their moving to Brevard, North Carolina.

APRIL 15, 1968:

Mr. Forest Roberts, Sr. reported that progress was being made on the location of land for the Associational and Metropolitan Missions Office. Following the regular organizational reports, Reverend Worth Braswell brought a recommendation from the Metropolitan Missions Committee that Mr. Jerry Edwards be called to serve as the Director of the Metropolitan Missions Program in the Gaston Association. The recommendation was moved, seconded, and carried unanimously.

Reverend John White reminded the board members that the Crusade of the Americas dates are April 6-20, 1969. Upon the recommendation of the Nominating Committee J. A. Richardson was elected Vice-Moderator and Harold Brown, Training Union Director. A. A. Bailey extended a plea for churches to keep accurate historical records after which the meeting, attended by approximately 100 persons representing 39 churches, was adjourned with prayer by Reverend Guy Walker.

JULY 15, 1968:

After new workers within the association were welcomed by the moderato Forest Roberts, Sr. presented the Treasurer's report showing a bank balance of $3,756.56 and a total in savings of $5,960.80 with $10,670.67 owing on the associational home.

M. O. Owens, chairman of the Nominating Committee placed in nomination the following for 1968-69: Forest Roberts as S.S. Supt. and Lucian Pinnix as Music Director. These were unanimously elected.

Guest speaker for the evening was Harold White of the Stewardship Division of our N.C. Baptist State Convention. He commended Gaston Baptists for their support of the Cooperative Program and urged greater support of the associational program in view of the new work being undertaken.

Hoyle Allred thanked Mrs. W. W. Daves for the services through the Good Will Center and then presented Jerry and Bonnye Edwards to the group at which time a "pounding" and a love gift in cash were presented to the couple. John Kinnamon pronounced the benediction.

OCTOBER 14, 1968:

The meeting began with Hoyle Allred's report on our Metropolitan Mission work after which the Financial report was given showing a bank balance of $5,092.68, total savings of $6,079.22 and a balance due on the association's house of $10,484.81 as of 9/30/68. A question was raised regarding the wisdom of applying a portion of our savings against our indebtedness and it was explained that the savings money is apt to be needed in the near future as a down payment on a lot for the new Associational and Metropolitan Missions office.

The proposed 1968-69 budget for the Gaston Baptist Association and the Christian Social Ministries program (heretofore referred to as Metropolitan Missions) were presented for information to members of the General Board.

Wade McKnight, Chairman of the Executive Committee, reported that that committee had received a recommendation from the Mission's Committee that the Faith Baptist Church of Bessemer City be received under watchcare of the Gaston Baptist Association. Constitutional changes were also presented for information of the board members. McKnight further reported the location of a lot on Rankin Lake Road for the new offices of the Association and Christian Social Ministries. The purchase price of the lot is $7,000 with a $1,500.00 as doen payment the balance payable over a 4 year period at no interest.

In closing, the General Board expressed the desire to hold next year's at the McAdenville Community Center and voted a letter of gratitude to Mr. Pharr for its use this year. The final meeting of the Associational year 1967 was closed with prayer by W. W. Black.

Respectfully submitted, Thomas Hogan, Moderator

7. Charles Carter gave the report of the Missions Committees. He made a motion that the North Main Street Baptist Church of Mount Holly be received into the Association. The motion was seconded and carried.

MISSIONS COMMITTEE REPORT

The Missions Committee of the Association has met numerous times throughout the year. In addition to acting on routine business matters, the committee sometimes visited churches and pastors in the interest of missionary expansion.

The Committee served and functioned under the belief that missions both local and foreign--is still the heart-beat of the Gospel and the pulse-beat of the local church and Association. The importance of our missions' task is seen by the urgency of world conditions, namely: (1) An unevangelized society--after more than 19 centuries of Christian outreach the world is

still pagan and growing more so each day. (2) An unchecked materialism--both the dialetical materialism of Communism and the diabolical materialism of Capitolism present a serious challenge to the Christian Gospel (3) An unsettled social climate--the Church has an unprecedented opportunity to put missions in action amidst the social ferment of our day (4) An unequaled moral decline--it is imperative that we use our missionary power and zeal to stem the tide of moral indecency. The Committee wishes to make two recommendations which we believe are steps toward fulfilling our missions opportunity: (1) We recommend, with approval of the Executive Board, that the North Main Street Baptist Church of Mount Holly, N. C. be received into full membership and fellowship of Gaston Baptist Association. At our 1967 Annual Session the said Church was received under watchcare, and during this period has given evidence of being of like faith and order and was duly constituted on September 22, 1968. (2) We recommend, with approval of the Executive Board, that the Faith Baptist Church of Bessemer City, N. C., be received by the Gaston Baptist Association under watchcare for a period of one year. During the year it will be the responsibility of the pastor and church to furnish the Missions Committee with evidence that the congregation fulfills the requirements for membership both in faith and practice. After one year the committee may either recommend full membership, deny further watchcare status, or extend the watchcare period.

Respectfully submitted, Charles Q. Carter, Chairman; T. J. McElveen, Jason Lee, Price Ewing, Jr., Tommy Ballard

8. Forest Roberts presented the Treasurer's Report. He made the motion that the report be adopted. The motion was seconded and carried.

RESOLUTIONS COMMITTEE REPORT

As we come to the close of the fiftieth annual session of the Gaston Baptist Association, we bow our heads and humble our hearts in expressing our gratitude to God for the blessings He has bestowed upon our Association through the past fifty years.

We are indeed grateful to those who so carefully and prayerfully planned for this meeting. Each session has been informative and challenging. As the work of our association during this past year has been reviewed, we are not only thankful but we are challenged to do even more in this new year. A special challenge beacons us as many of our churches are actively preparing to participate in the Crusade of the Americas next year. Two continents will be engaged in prayer, and we face the exciting prospect of the rebirth of the western hemisphere! We must remember, however, that winning people to Christ is done by winning individuals and this must be done through us who compose the Church.

Our thanks and appreciation is expressed to the First Baptist Church of Gastonia and the Alexis Baptist Church, our host churches, for the gracious hospitality that has been extended to us. For the many people who worked long and hard to prepare our meals and to make our time together so enjoyable, we are grateful.

We express our thanks to our Associational Officers for their faithful service and their untiring efforts in advancing the kingdom of God and to our

Moderator, Tom Hogan, for his loving Christian manner in leading our association.

To John White, our Promotional Director, and to Frances White, his associate and secretary, we express our thanks for their faithful service and their ceaseless promotion of our work throughout the association.

It is our prayer that as we go forth from this meeting that we will go in the name of Christ and be witnesses unto Him both in our community and Gaston County, and in North Carolina and unto the uttermost part of the United States and our universe.

Respectfully submitted, Fred High, Chairman

28. W. E. Abrams presented the Memoriam Report. After a brief moment of meditation Z. Miller Freeman led in prayer. The report was adopted.

IN MEMORIAM

It is with a bit of sadness tinged with a bit of joy we come to this part of the program. Sadness because we no longer see many faces we once saw in the audience. Joy because we know their spirits are now basking in the sunshine of God's eternal love.

We pause here to pay our respects to the memory of those whom death has separated from our fellowship during the past year.

In honoring the memory of those who have gone on a little ahead of us, we could employ no better means than the recognition of their labors and works which follow them. How often we are reminded of some faithful one who no longer labors with us in person. The remembrance is brought to mind because of many seeds of righteousness sown in fertile ground and now germinating into fervent life in God's harvest field. Or was it a talent rightly used and now it pays in dividend in Spiritual Benediction upon the church, the community, and the world at large.

The influence of our faithful dead has no sunset; no clouds can hide it; no amount of earth or stones can crust it; floods cannot drown it nor fires consume it. That influence continues and shall continue until our Lord calls us home to be reunited in heavenly glory.

So let us honor our beloved dead by holding in precious memory the influence of their labors in Christ Jesus our Lord.

Respectfully submitted, W. E. Abrams

FORWARD

'68-'69 A GOOD YEAR

REPORT TO THE ASSOCIATION

REV. JOHN L. WHITE
Promotional Director

Several years ago, when Dr. Wendell Belew of the Home Mission Board visited ur association, he said: "More things happen and come to pass in the Gaston Association in one year than happens in most other associations in five years."

The other day, I said to a pastor: "I wonder what highlights I can report at the ssociational meeting?" He said: "I do not know ... the pickings have been very oor this year."

In my study, I found that, in spite of the slump here & there, we had a good year.

CHERRYVILLE FIRST led the association by baptising 70. UNITY had 51; EAST ELMONT had 30; VICTORY-28; RIDGE, SPENCER MOUNTAIN, SEVENTH AVE., VOODLAWN, WEST FRANKLIN AVE. & STOWE MEMORIAL had about 25 each .... UT THIS IS NOT THE WHOLE STORY .....

Last year we took into our fellowship a little church, NORTH MAIN STREET OF MOUNT HOLLY. This year it baptised 16 to make a total membership of 63.

MACEDONIA CHURCH, which had almost folded up, baptised 11, CHESTNUT GROVE and BEREA baptised 6 each & GAMBLE HILL baptised 10. These churches ave about 60 members.

BINGHAM and BESSEMER CITY SECOND, with about 125 members, baptised 10 ach and OAK GROVE with 117 members baptised 14.

Among churches of about 150 membership, ALEXANDER MEMORIAL, CLEVELAND EIGHTS and NORTHSIDE baptised 14 each. SUNNYSIDE, with 117 members, baptised 1.

GRACE baptised 18, SUNSET FOREST-15, FAIRVIEW-13, NEW LIFE-10 ..... nd so it went ..... in most places "the pickings were good." Some larger churches ad more, but not in such ratio.

GASTON YOUTH were on the march for Christ. The STANLEY YOUTH CRUSADE, HE NEW YORK CRUSADE, the summer activities, local missions projects and youth hoirs were quite outstanding.

THE ASSOCIATIONAL W.M.U. - the best in the State - continued to serve & romote mission action at various places in the county and at the Goodwill Center. Much of the credit should be given to the enthusiasm and untiring efforts of Mrs. Harold Strickland.

Under an almost unique arrangement HOYLE ALLRED AND HIS FLINT GROVES CHURCH sponsored the work at MACEDONIA CHURCH with financial help from the tate and the Association. MACEDONIA is making unusual progress.

FAIRVIEW and BETHANY have new educational buildings and most of our churches ave upgraded their facilities. TEMPLE and NEW HOPE started day-care centers; RUINGTON MEMORIAL and WOODLAWN are building. The GOODWILL CENTER has een moved to adequate quarters at 1408 May Street.

There are so many to whom we should express words of deep appreciation. AMONG JUST A FEW OF THESE ARE: HOYLE ALLRED for his work with Macedonia; OVE DIXON for his directing the work of the BUILDING PLANNING COMMITTEE; M.O. OWENS for his work as chairman of the BUILDING WAYS & MEANS COMMITTEE

and also for information on the new Sunday School Programs. One teaching sessio had 130 in attendance; FOREST ROBERTS, who as moderator, has attended almos all important committee meetings and with the promotional director, visited mos of the churches. He has been the leader in securing property for the new building MRS. ROBERT J. COOK, who sold us the land for the building at a very reasonabl price and gave a donation of $1,000; JOE WILSON for his work as treasurer and handlin of bonds; WADE MCKNIGHT for his guidance in the affairs of the EXECUTIVE COMMITTEE; RICHARD HICKS for his work in setting up the WORLD MISSION CONFERENCES; VIC POTTER for his work as chairman of MISSIONS COMM.; MRS JO ANN PRESSLEY for helping get out the Bulletin, the special mailings, keeping th financial records & keeping sane in the midst of one of the busiest offices in Gast

THE ASSN. WAS NOT WHITHOU ITS CHANGES OF PASTORATES: GUY LONGSHOR resigned from RIDGEVIEW; M.B. HART left BESSEMER C. SECOND; HAROLD BAZZL left TRINITY; GLENN TALLENT-TUCKASEEGE; PAUL HORNE-HOLLAND MEM. ALBERT RHYNE-BROWNTOWN; REEVES CLINE-MACEDONIA; F.E. EDENS-OZARK GLENN CALDWELL resigned from BEREA, but later returned; FRED HIGH & RONALI MARTIN changed churches in the assn.; PARKER SNYDER resigned but returned t TEMPLE; C.C. ROBERTS retired from MT. HOLLY SECOND.

Theme: ONWARD CHRISTIAN SOLDIERS

On Tuesday, November 4, 1919 in the First Baptist Church in Gastonia, th Gaston County Association was organized with the following churches, all locate in Gaston County: Dallas, Mt. Beulah, Long Creek, Alexis, Belmont First, Belmo East, Gastonia First, East Gastonia, South Marietta Street, Loray, Hickory Grov High Shoals, Lowell Mayworth (Cramerton), McAdenville, Mt. Zion, Mt. Holly, Sand Plains, Spencer Mountain, Tuckaseege, Bruington, Cherryville, Bessemer City, an Shady Grove. 24 Churches with 5,271 members.

The history of any nation or community could not be written except it be writte about the men and women who were instrumental in bringing to pass the things whic go to make history. And, so, it should not be amiss to mention a few outstandin characters who made the Gaston County Association what it has amounted to in th past. The following men and women have made history for the Baptist of Gasto County Association: Rev. W.C. Barrett, Rev. R.G. Mace, Dr. J.W. Whitley, Rev. T. Cashwell, Rev. J.J. Beach, Rev. W.G. Camp, Rev. M.L. Barnes, Rev. C.J. Blac

Rev. W.B. McClure, Rev. W.L. Walters, Mrs. H.B. Moore, Mrs. M.L. Barnes, and laymen (not a few) who have stood by through these first years and rendered faithful and efficient service.

The Seventy-five Million Campaign was in progress when the Gaston County Association was organized. The churches contributed to this campaign.

1921 was a strenuous year with the churches. The unsettled conditions in business, the restlessness of the people and the downward trend in the price of labor and principal commodities. It was difficult to keep up the spiritual life and meet financial obligations of the churches. A large percent of the members were out of jobs a large part of the year. But the Lord blessed the people's efforts.

It seems the women were not too welcomed at these associational meetings. The men believed a woman should stay in her place and not speak in the meetings. R.G. Mace read the Womans' Work Report.

The 40's brought about much change in our nation, community, and church life. World War II - Our young men marching off to serve their country. People flocking to the churches. 1946-47 ... Every church experienced growth in membership both by baptism and letter. During the year 1944 the name of this organized work was changed from Gaston County Baptist Association to Gaston Baptist Association.

By this time in the life of our association we had 45 churches with 16,653 members. Having celebrated our Silver Anniversary of First Baptist Church, we marched on toward the 50's with God's Leadership.

By 1950 there were 57 churches in our association, 56 of which had Sunday School, with total enrollment of 20,614.

Much was said about temperance and morals in these early days. Concern about the desecration of the Lord's day, "breakdown" of the homes, and alarming evil of the tragedy of drinking and drunkenness. Our leaders pledged to join hands to do all within their power to rid our land of evil.

In the late 50's the 30,000 movement was stressed at each meeting. This movement was brought into existence to assist churches in reaching more people by finding proper and promising locations for new work to begin. There were areas in our territory that could only be reached through new work.

1958 - Gerthrie Colvard, Associational Promotional Secretary made report of his work for the year. This is the first year of this activity in the Gaston Baptist Association.

Leading into the 60's many churches came about. The way of life for the people in the communities caused people to move from place to place. People started working more on Sundays. Church attendance fell off. More women started to work. Cost of living went higher and higher. What was the church to do?

The Associational Promotional Director, John L. White, came to labor with us in the early 60's. The churches began more than ever to reach out with different ministries to reach people for Christ.

Such work as Literacy Work, Jail Ministry, Rest Homes, Juvenile, Orthopedics Ministry, Negro Work, and the Gaston Baptist Center. The churches marched on by helping lay people to see the need of visiting and reaching people outside the church building. Many lives have been touched by these ministries. As one Negro lady expressed it, "You people have led me out of darkness into the light." Surely, God's people are marching on.

Yes, there are many who have not bowed their knees to Baal. We now have 94 churches in the Gaston Baptist Association with membership of 36,251.

His truth is marching on. Many are concerned and involved in His Kingdom work.

EXECUTIVE COMMITTEE REPORT

In keeping with the requirements of the Constitution, the Executive Committee met each month during the past year.

1. Following the tentative approval given the Committee at last year's annual meeting by the Association for the purchase of a lot on Rankin Rd., the Committee has purchased said lots.

2. Early in the year a Planning Committee was appointed by the Executive Committee to plan an office building to meet the needs of the Association. Rev. Love Dixon of Bethlehem Church was appointed Chairman of this Committee. They have drawn up plans that have been approved by the Executive Committee and the Associational Board.

3. Then the Committee appointed a "Ways and Means" Committee to find ways and means of financing the construction of the office building. Rev. M.O. Owens of Parkwood Church was appointed Chairman. Their plan for financing was approved by the Executive Committee and the Associational Board, and is now well known by most of our Baptist people of the Association.

4. In January, Mrs. Francis White resigned as Office Secretary. Mrs. Joanne Pressley was secured as Secretary and Mrs. White trained her for 4 weeks. She is doing an excellent job.

5. During the year the Committee purchased a 3 M Copier for the Association at the cost of $780.00. It is kept at the Associational Office.

6. The Committee was finally able to find a new location for the Gaston Goodwill Center. It is a house at 1408 May St., Gastonia. It is adequate. We are grateful to Temple Baptist Church for the use of their old building so long.

7. To better implement the supervision of the two Association offices, the Executive Committee voted to divide itself into two sub-committees, with each committee responsible for one office and at the same time responsible to the whole Executive Committee. Hoyle Allred is Chairman of Committee Association Office and Yates Campbell is Chairman of Committee of Christian Social Ministry.

8. The Committee has authorized the auditing of the Association's books for the past year to the firm of Butler and Stowe, C.P.A. of Gastonia, N.C. Their report is as follows.

9. The Committee received an appeal from the Macedonia Baptist Church for help during the year. After an investigation of the needs, we asked the State Mission Board for financial help for them. The State Board gave $1000.00 and we recommended to the Associational Board that we give $1000.00. We asked the Flint Groves Church to assume responsibility for the Macedonia Church. All of this was done. Now the Lord is blessing the efforts pur forth by all concerned and the Church is making good progress.

Respectfully submitted,
Wade A. McKnight
Chairman of Executive Committee

7. The Associational Board Report was presented by the Clerk in the absence of our moderator, Mr. Forrest Roberts. He moved the adoption of the report. It was seconded and carried.

DIGEST OF ASSOCIATIONAL BOARD MEETINGS

As moderator, it was my pleasure to preside over 3 meetings of the Board, attend each monthly meeting of the Executive Committee and all important committee meetings. With the promotional director, I have visited most of the churches this year. The association is in good shape and the spirit is good as you will see reflected in the following digest.

They accepted the resignation of Mrs. John White as secretary and secured the services of Mrs. Jo Ann Pressley at a salary of $325.00 per month which is to be raised to $350.00 per month after three months. The association voted to pay her hospital insurance.

Macedonia Church requested help. Flint-Groves Church was asked to give guidance and $1,000.00 was given from the new Lot Fund to help along with aid from the State Convention. Flint-Groves was praised for its willingness to lend leadership.

Elvin Jones urged participation in the Crusade of the Americas and said that the Negro Churches would be enlisted. John White gave a report of his work and had on demonstration a map of a church field. He volunteered his services in mapping parts of the cities and country.

Appreciation was expressed to Frances White for her services. There were 53 churches represented including the following new pastors: James Gantt, Centerview; J.C. Hill, Faith-Gastonia; and Fred High, Associate at South Marietta St.

To get the machine the Executive Committee had to act immediately and took an option. The Board voted to finance the purchase through the checking account using funds from various accounts that would have a surplus and, if such was not sufficient, up to $400 could be drawn from the savings account.

The proposed budget for the Christian Social Ministries Department was adopted for the coming year. It represented a $416 increase which would be shared by the association, the State Convention and the Home Mission Board.

The Board heard from the Building Planning Committee with Love Dixon as chairman. Authorization was given to spend what money was needed to secure plans. Forest Roberts reported on the acquiring of the land for the building.

Plans were presented by Perry Huffstetler for Crusade of the Americas out-of-door rallies. Richard Hicks gave the plans and a deadline was set at April 1 for participation in the World Missions Conferences.

Rev. James Daves and Niles Richardson presented their work with the Home Mission Board in New York City.

Tribute was paid to the Brother A.R. Cheek who recently died.

George Pettigrew told of Brotherhood activities in mission action at the Prison Camp and the County Home.

Mrs. Troy Bishop gave highlights on W.M.U. work and on the 50th Anniversary sessions.

CHRISTIAN SOCIAL MINISTRIES AND BAPTIST CENTER REPORT

In serving the needs of society, the church's concern is to re-create the social order within which people live both near and far. This endeavor may express itself in many ways but always it is the activity of the Holy Spirit at work through the church in the fostering of human relationships after the pattern of the Gospel.

The serving ministry includes concern for the physical, mental and spiritual well-being of all individuals. Thus, the ministry of healing is made manifest not only in medical services, pastoral care, counseling both educational and therapeutic, but also as a means of reconciliation. This is evidenced in the bringing together in a context of goodwill, conflicting people and groups so that quarrels may be resolved, hatreds transcended and wounds healed. Through this ministry of reconciliation both persons and society may be made whole.

We have experienced a desire from the social helping agencies of the country to work together in relieving some of the human suffering within the county. We have taken their referrals and have performed many acts of mercy and healing. We, in turn, have referred persons to social agencies and have seen the results of these agencies as members of the helping team.

The agencies that we have worked in cooperation with throughout all of the county are the Social Service Department, the newly organized "Fish" organization, Gaston Community Action, Vocational Rehabilitation, North Carolina State Probation Department, Juvenile Counseling and Court System, Family Counseling Agency, The Agricultural Center in Dallas, N.C., The County Department of Corrections, The Mental Health Association, the Policy Department, Gaston Skills, and the Public School System.

Having spoken in approximately 38 churches last year, I have found a desire from our pastors and laymen to know more about our Christian Social Ministries program in Gaston County. I wish to thank these churches and others who have contributed not only with voluneer assistance but with financial help in meeting the needs of the economically disadvantaged in our County. I want to especially thank those who have prayed for this program in the past year and ask that you continue to pray for this ministry.

In cooperation with the Baptist State Convention, I have been and will continue to be a resource person to speak in conferences on Christian Social Ministries throughout our state under the direction of Rev. Ernest Upchurch, Secretary of City and Metropolitan Missions Department.

As a result of our program churches have found new forms of mission action and have implemented new programs of helping needy families.

GASTON BAPTIST CENTER

The entire Baptist Center Facility was moved and reorganized to a house within the Arlington section of Gastonia. The new address is 1408 W. May Avenue. The new telephone no. is 864-7232. The activities are being organized so that the main program is geared to Tuesdays and Thursdays. The remainder of the week is spent ministering directly to needs within the county.

A) Mrs. Jerry Strickland directs the program of activities. Her services are invaluable.

B) The Quilting Club is under the direction of Mrs. Rose McDaniel.

C) The children's activities are being led by members of Mrs. Owen's Sunday School class from Parkwood Baptist Church, under the leadership of Mrs. Nancy Brown.

D) The sewing class for the ladies within the community will be directed by Mrs. Vera Lineberger of Hickory Groves Baptist Church.

F) Hair styling and permanents are being given weekly by licensed beauticians. Mrs. Patsy Smith from Woodlawn Baptist Church in Lowell and Mrs. Earlene Gordon from Victory Baptist Church provide this service free of charge to the senior ladies in the community.

G) Trips for families without transportation are provided to hospitals for visiting sick or injured family members. Several of our churches who are helping in this ministry are Parkwood, Hickory Groves, and Chapel Groves.

H) Teen outings to Ridgecrest, seasonal parties at the Baptist Center and fishing trips are a monthly occurrence with the use of the V.W. bus.

I) There are 22 volunteer workers who help us monthly with the various ministries.

J) Mr. Jenkins from Loray Baptist Church gives free dry cleaning for the Center clothing, Mrs. George Green from Hickory Groves supplies us regularly with food and clothing for needy families. The new Baptist Center location was furnished with appliances and furniture from businesses and interested lay people from many of our churches. Mrs. W.H. Leathers, from First Baptist Church, Gastonia, works on Tuesdays and Thursdays supplying us with clothing. Mrs. Arizona Stirewalt, Mrs. Rose McDaniel and Mrs. Ethel Rinhart gave generously of their time in helping with Center activities. The Baptist Men of Shady Grove Church in Cherryville give generously above their Associational contribution. Mr. Mason from New Hope Baptist Church provides financial assistance designated for food for needy families monthly. Mr. Emory McDaniel

Without the help of these people, our program could not exist.

K) We help approximately 40 families per month with food, clothing, furniture, lunch money, school supplies, rent, fuel, medicine, and transportation.

L) Distributed GOOD NEWS FOR MODERN MAN and tracts to families with whom we ministered.

Through our witnessing and evangelistic efforts we have experienced people being won to Christ, a renewal of Christian living, a desire to serve and minister to needy persons and churches becoming more involved in Social Ministries within their community. There are many people whom I need to thank, but I especially want to express my thanks and appreciation to Rev. Wade McKnight, Chairman of the Executive Committee, for his understanding and guidance in the matters concerning Christian Social Ministries.

Respectfully submitted,
Gerald W. Edwards
Director of Christian Social Ministries

AUDITOR'S REPORT

October 16, 1969

The Executive Committee
Gaston Baptist Association
Gastonia, North Carolina

Dear Sirs:

We have examined the statements of cash receipts and disbursements of the General Fund and the New Lot Fund of the Gaston Baptist Association for the church year ended September 30, 1969. Our examination was made in accordance with generally accepted auditing standards and accordingly included such test of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, the accompanying statements present fairly the cash receipts and disbursements of the General Fund and the New Lot Fund of the Gaston Baptist Association for the church year ended September 30, 1969, in accordance with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Respectfully submitted,
Butler & Stowe

MISSIONS COMMITTEE REPORT

By: Fred King

As I review in my mind the activities of the Missions Committee during the past year, the words of our Lord as spoken in Acts 1:8 bloom up before me; "Ye shall be witnesses unto me both in Jerusalem, and in all Judea, and in Samaria, and unto the uttermost part of the earth."

This was a simultaneous commission to all followers of the Lord Jesus Christ. The better witnesses we are at home, which is our Jerusalem, the more effective and far reaching the gospel message will be throughout the world.

The Missions Committee has met several times during this year. We are continuing to be ever more aware of the increasing need and urgency for Mission Action in our Association, which again we are reminded, is our Jerusalem.

I will attempt to give a brief resume of some of the things accomplished by the Committee this year:

Holland Memorial asked for assistance. The Missions Committee, with the help of our Superintendent of Missions, Rev. Hoyle Allred, secured a student pastor who will live on the field. We made application to the State Mission Board for pastoral assistance. We made up a budget for Holland Memorial and compiled information revealing a potential of 225 in Sunday School.

One very good example, proving Missions in Action, was in December, 1968, when Macedonia reverted to a Mission Status, under the leadership and guidance of the Flint-Groves Baptist Church. Then on the first Sunday in April, 1970, Macedonia resumed her full responsibilities for herself as a church, going forward with the blessings of Flint-Groves.

Through our various Churches in the Gaston Association, the Gaston Baptist Center, and the Christian Social Ministries, we are experiencing and feeling the effects of an increase in our Mission Work.

Even with these activities and accomplishments, we are keenly conscious that the "field is white unto harvest" and there is much work yet to be done.

7. Mr. Fred Crisp, in the absence of Mr. Miller Freeman, Chairman of the Nom-

inating Committee, presented the slate of officers for 1970-71. He moved that we accept the report of the Committee. It was seconded and carried.

8. Mr. Tom Hogan, Chairman of Committee on Committees presented the Committee's report. He moved its adoption. It was seconded and carried.

9. Mr. Hoyle Allred, in the absence of Harold Brown, presented a Tentative Calendar for 1971. He moved its adoption. It was seconded and carried.

10. Mr. Love Dixon, Chairman of the Building Fund Committee presented the building fund report of contributions from the churches and disbursements. He moved its adoption. It was seconded and carried.

11. Mr. Joe Harrison, Chairman of the Stewardship Committee, presented his report and moved its adoption. It was seconded and carried.

12. Our moderator, Mr. Forest Roberts, Sr. presented an oral report from the General Board. He stated his personal enjoyment serving as moderator of our association and the many opportunities he had had during the two years. Mr. Roberts expressed his appreciation for the honor afforded him by our association.

13. Mr. Worth Braswell, Chairman of the Executive Committee, spoke a few words concerning his report and moved its adoption. It was seconded and carried.

EXECUTIVE COMMITTEE REPORT

By: Worth Braswell

The Executive Committee has met each month during the year and has held several called meetings to transact business of immediate importance.

1. At the December meeting the Committee accepted with regrets the resignation of Mr. John White as Superintendent of Missions. A sub-committee of the Executive Committee was charged with the responsibility of seeking out and recommending a replacement for Mr. White.

2. The Promotional sub-committee of the Executive Committee was given the responsibility of publishing our associational newsletter during the interim when we are without a Superintendent of Missions.

3. In January the Executive Committee recommended to the Associational General Board that we extend a call to Rev. Hoyle Allred to become our Superintendent of Missions. A job description was drawn up and presented for the approval by the General Board. After discussion and changes the job description was approved. (Copy of this job description is included elsewhere).

4. In March recommendations were made to the Finance Committee re:

(1) that they work with Mr. Brockman in setting up a sinking fund that all building fund monies up to $1,000 per month be deposited to the sinking fund and all over to the building fund account.

(2) that payment on lot be made from a savings fund at First Union National which is on certificate of deposit. $5,000 and $1,000.

(3) that $50 from welfare fund of CSM be sent to widow of Bill Spradlin, whose home was destroyed by fire about the time of her husband's recent death.

5. Decided that, regarding Superintendent of Missions or Director of Christian Social Ministry:

"any honorarium paid for single services by Superintendent of Missions or Director CSM be turned into the associational treasury. Any honorarium for a program of longer duration shall be received by those involved."

6. In February received with regrets the resignation of our Director of CSM, Rev.

Jerry Edwards. He will go to another work in Boston. Mr. Edwards left in April.

7. Employed on a part time basis until summer and then on full time basis Mrs. Jerry Strickland to carry on the work of the Good Will Center during the time we are without a Director of CSM. She is to work under the direction of Superintendent of Missions. If a replacement is not secured by September she will again be working part time. Presently a committee is working with Mr. Ernest Upchurch of the State Dept. of Metropolitan Missions to secure a director.

8. Authorized our Moderator, Forest Roberts, to have bonding done for the Secretary-Bookkeeper of our association in the amount of $2,000 to $5,000.

9. Many decisions were made and business transacted regarding the readying and occupancy of our new associational offices. Open house was held in June with the help of associational leaders, the WMU and Brotherhood.

10. Authorized the auditing of the Association's books for the past year by Butler & Stowe.

11. The Committee received a request for help from the Holland Memorial Baptist Church. Our Superintendent of Missions and his wife have placed their membership in this church and will lend whatever assistance they can. A new pastor, Rev. Bobby Bodenhamer, has been called, and state assistance in the form of pastoral aid has been requested.

12. Mrs. Joan Pressley has resigned as office secretary. She had done a commendable job. The committee has employed Mrs. Dorothy Allred as office secretary to begin work in November at salary as stated in the budget.

13. The committee approved a request for ministerial tuition help from the college for Bobby Lane Thomas of Stanley, First to attend Gardner Webb College. He is presently enrolled.

14. The committee has authorized the auditing of the Association's financial records for the past year to Butler and Stowe, C.P.A. of Gastonia. A copy of their report appears in our book of reports.

Respectfully Submitted,
Worth Braswell, Chairman

15. Mr. E.W. Brockman, Treasurer, read the Auditor's report and moved its adoption. It was seconded and carried.

AUDITOR'S REPORT

October 15, 1970

The Executive Committee
Gaston Baptist Association
Gastonia, North Carolina

Dear Sirs:

We have examined the statements of cash receipts and disbursements of the General Fund and the Building Fund of the Gaston Baptist Association for the church year ended September 30, 1970. In our opinion, the accompanying statements present fairly the cash receipts and disbursements of the General Fund and the Building Fund of the Gaston Baptist Association for the church year ended September 30, 1970 in accordance with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Respectfully submitted,
Butler & Stowe

IN MEMORIAM

In the past year many with failing hands have flung the flaming torch and done so with exhortation that we hold it high and not break faith with them.

Being asleep, they now rest under a new set of circumstances to await the call of the Lord. They have joined the innumerable host mentioned in Hebrews 12:1 who are martures, witnesses for us; not theatrical spectators of us. Their death has been precious in the sight of the Lord and they are to be congratulated because they died in the Lord and their works follow after them.

In memory to these who marked their places among us let us pray for the immortal influence of their lives and for the affirmation of our faith so that we may be to others what these have been to us. Our memory of these would be fickle unless we remember and minister to the widows, widowers, and orphans who are bereft.

Our memorial should include special mention of the expiration of two or our pastors, William J. Chastain, who was at Bethel until retirement, and Dr. E.V. Hudson pastor of Cramerton for 31 years.

The publishing of all the names of the deceased will help in the Christian commendation of their lives.

Respectfully submitted,
A.A. Bailey

CHRISTIAN SOCIAL MINISTRIES AND BAPTIST CENTER REPORT 1969-1970

The needs are great in this field of Christian Social Ministries. This past year hundreds of people have been reached, with problems too numerous to mention. Working with the agencies in Gaston County, such as Mental Health, Social Service, etc., the people of our churches have responded wonderfully.

Gaston Baptist Association is working up to the needs of the people around their churches. Many thanks for help given to this service.

Through evangelism, Bibles, Testaments, tracts, Christian literature has been given. At least 25 people have started to church, many making professions of faith.

To inform the churches of the needs being met, the following families have been helped.

Three children came to the Gaston Baptist Center last winter from North Belmont. Temperature was 5 degrees above zero....snow on the ground.....These children were escorted by one of the school officials..... Two girls and one boy....barefooted.....not even socks on.....summer clothes.....no sweater or coat...frozen.

A young wife called from Cramerton. Her baby was due in two weeks....No funds for a doctor or hospital....husband was ministerial student in second year in college...car broken down....so much worry and concern.

A call from Bessemer City....four children in school.....sick mother.....husband dead....boy going to doctor three times a week....no money for school clothes and supplies.....mother thinking of suicide.
